12GAUGE REMCHOKE CHOKE TUBES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the 12GAUGE REMCHOKE CHOKE TUBES by CARLSONS. This product is designed to enhance your shotgun's performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure the shotgun is unloaded before installing or removing choke tubes.
- Use only compatible ammunition with the choke tubes to avoid malfunctions or accidents.
- Regularly inspect choke tubes for signs of wear, damage, or corrosion.
- Store choke tubes in a cool, dry place, away from moisture and extreme temperatures.
- Keep choke tubes out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Choke tubes are designed for specific gauge shotguns. Ensure you are using the correct gauge (12 Gauge) for your choke tubes.
- Do not use XFull and Turkey constrictions with steel shot; they are intended for use with Lead and HeviShot ONLY.
- Tru™ Choke Thinwall tubes are only recommended for 2¾" Lead Shot loads.
- Avoid using damaged or worn choke tubes, as they may pose a safety risk.
- Follow all local regulations and guidelines regarding the use of firearms and ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is completely unloaded.
- Remove the existing choke tube from the shotgun barrel by turning it counterclockwise.
- Clean the threads of the barrel before installing the new choke tube.
- Insert the new choke tube into the barrel and turn it clockwise until it is securely in place.
- Use a choke wrench if necessary to ensure a tight fit, but do not overtighten.

2. Usage:

- Always wear appropriate eye and ear protection when shooting.
- Check the choke tube before each use to ensure it is properly installed.
- Load the shotgun with compatible ammunition only.
- Be aware of your surroundings and ensure a safe shooting environment.

3. Removal:

- Ensure the shotgun is unloaded.
- Use a choke wrench to turn the choke tube counterclockwise to remove it from the barrel.
- Store the choke tube in a safe location.

Disposal Instructions

- Dispose of any damaged or worn choke tubes according to local regulations.
- Do not dispose of choke tubes in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support
