Safety Instruction Guide for 12GAUGE REMCHOKE CHOKE TUBES CARLSONS REMCHOKE 12GA SKEET REMINGTON SS

Introduction

Thank you for choosing the 12GAUGE REMCHOKE CHOKE TUBES by Carlson's. This guide is designed to provide essential safety instructions and usage guidelines to ensure the safe operation of your choke tubes. Please read this document carefully before using the product.

General Safety Guidelines

To ensure your safety and the safety of others, please observe the following general safety guidelines:

- Ensure that all users of the choke tubes are familiar with the product and its intended use.
- Always handle the choke tubes with care to avoid injury.
- Store the choke tubes in a safe place, out of reach of children.
- Regularly inspect the choke tubes for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

When using the 12GAUGE REMCHOKE CHOKE TUBES, adhere to the following safety precautions:

- Use only compatible shotguns that are designed for RemChoke tubes.
- Ensure that the choke tubes are correctly installed before use.
- Do not exceed the recommended load limits for the choke tubes.
- Avoid using steel shot loads in constrictions labeled for lead shot only.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.

Instructions for Installation and Usage

Follow these steps to properly install and use your choke tubes:

1. Installation:

- Ensure the shotgun is unloaded and the safety is engaged.
- Remove the existing choke tube from the shotgun barrel using a choke tube wrench.
- Clean the threads of the barrel to remove any debris.
- Align the threads of the new choke tube with the barrel and handtighten it until snug.
- Use the choke tube wrench to securely tighten the choke tube, but do not overtighten.

2. Usage:

- Load the shotgun with appropriate ammunition based on the choke tube specifications.
- Always check that the choke tube is secure before firing.
- Follow the manufacturer's recommendations for load types and sizes.

Disposal Instructions

When disposing of the choke tubes, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not throw choke tubes in regular household waste.
- If the choke tubes are damaged or no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the 12GAUGE REMCHOKE CHOKE TUBES, please refer to the manufacturer's website or contact their customer support team. Ensure you have the product information ready for a more efficient response.

By following the instructions and safety guidelines outlined in this document, you can help ensure a safe and enjoyable experience with your 12GAUGE REMCHOKE CHOKE TUBES. Always prioritize safety and compliance with local laws when using firearms.
