Safety Instruction Guide for 12GAUGE REMCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE REMCHOKE CHOKE TUBES by CARLSONS. This guide is designed to provide you with essential safety information, usage instructions, and guidelines to ensure a safe and enjoyable experience with your product. Please read this guide carefully before use.

General Safety Guidelines

To ensure your safety and the proper functioning of the choke tubes, please follow these guidelines:

- Always use the choke tubes as intended, following the manufacturer's recommendations.
- Inspect the choke tubes for any signs of damage or wear before each use.
- Ensure that the choke tubes are compatible with your shotgun model.
- Keep the choke tubes out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the 12GAUGE REMCHOKE CHOKE TUBES, please observe the following precautions:

- Use only lead shot loads for Tru™ Choke Thinwall tubes; do not use steel shot or magnum loads in these tubes.
- XFull and Turkey constrictions are designed for use with lead and HeviShot only; other types of ammunition may pose safety risks.
- Ensure that the choke tubes are securely installed before firing the shotgun.
- Avoid using damaged or worn choke tubes, as they may lead to malfunction or accidents.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the choke tubes:

1. Installation:

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Remove any existing choke tube from the shotgun barrel, if applicable.
- Clean the threads of the barrel and the choke tube to ensure a proper fit.
- Carefully screw the choke tube into the barrel by turning it clockwise until it is snug. Do not overtighten.
- Check that the choke tube is securely in place and does not wobble.

2. Usage:

- Load the shotgun with appropriate ammunition.
- Always check the compatibility of the ammunition with the choke tube being used.
- Fire the shotgun in a safe environment, following all local laws and regulations.
- After use, allow the shotgun and choke tube to cool before handling.

Disposal Instructions

When disposing of the 12GAUGE REMCHOKE CHOKE TUBES, please follow these guidelines:

- Do not dispose of the choke tubes in regular household waste.
- Check local regulations for the proper disposal of metal products.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding the safety, installation, or usage of the 12GAUGE REMCHOKE CHOKE TUBES, please consult the manufacturer or retailer from whom you purchased the product. They are equipped to provide you with the necessary assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the 12GAUGE REMCHOKE CHOKE TUBES by CARLSONS, and always prioritize safety.
