# Safety Instruction Guide for 20GAUGE REMCHOKE CHOKE TUBES CARLSONS REMCHOKE 20GA FULL REMINGTON SS

## Introduction

Thank you for purchasing the 20GAUGE REMCHOKE CHOKE TUBES CARLSONS REMCHOKE 20GA FULL REMINGTON SS. This guide provides essential safety instructions to ensure the proper use and maintenance of your choke tubes. Adhering to these guidelines will help you avoid accidents and ensure optimal performance.

## General Safety Guidelines

- Always ensure that the choke tubes are compatible with your shotgun model before installation.
- Use choke tubes only for their intended purpose as described in this guide.
- Regularly inspect choke tubes for signs of wear or damage before each use.
- Keep choke tubes out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before installing or removing choke tubes.
- Handle choke tubes with care to avoid injury from sharp edges.
- Do not use choke tubes that are damaged or show signs of corrosion.
- Only use lead and HeviShot ammunition with XFull and Turkey constrictions.
- Follow the manufacturer's recommendations for load types and sizes.

## Instructions for Installation and Usage

### 1. Installation of Choke Tubes:

- Ensure that the shotgun is completely unloaded.
- Clean the threads of the shotgun barrel and the choke tube before installation.
- Align the choke tube with the barrel threads and gently screw it in clockwise until it is securely in place.
- Use a choke tube wrench if necessary to ensure a tight fit, but do not overtighten.

### 2. Usage of Choke Tubes:

- Load your shotgun according to the manufacturer's specifications for the type of choke tube installed.
- Always check the choke tube before shooting to ensure it is secure.
- Use appropriate ammunition for the choke tube type, as specified in this guide.

### 3. Removal of Choke Tubes:

- Ensure the shotgun is unloaded.
- Use a choke tube wrench to unscrew the choke tube counterclockwise.
- Store choke tubes in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular household waste. Instead, contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your 20GAUGE REMCHOKE CHOKE TUBES CARLSONS REMCHOKE 20GA FULL REMINGTON SS, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your choke tubes. Thank you for prioritizing safety while using our products.
