Safety Instruction Guide for 20GAUGE REMCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 20GAUGE REMCHOKE CHOKE TUBES. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this document carefully before using the choke tubes.

General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model before installation.
- Always handle choke tubes with care to avoid injury.
- Keep choke tubes out of reach of children and vulnerable individuals.
- Only use choke tubes with recommended ammunition types.
- Regularly inspect choke tubes for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before installing or removing choke tubes.
- Do not exceed the recommended load specifications for the choke tubes.
- Use only lead and HeviShot ammunition with XFull and Turkey constrictions.
- For Tru™ Choke Thinwall tubes, use 2¾" Lead Shot loads ONLY.
- Avoid using choke tubes with incompatible thread sizes or types.
- If any unusual sounds or malfunctions occur during use, cease use immediately and inspect the choke tubes.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Remove any existing choke tube from the shotgun barrel.
- Clean the threads of the barrel and the choke tube to ensure a secure fit.
- Screw the choke tube into the barrel by hand until snug. Do not overtighten.
- Check that the choke tube is securely installed before use.

2. Usage:

- Load the shotgun with appropriate ammunition for the installed choke tube.
- Always wear eye and ear protection when shooting.
- Maintain a safe shooting distance and be aware of your surroundings.
- After use, clean the choke tubes to maintain their condition and performance.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Contact your local waste management facility for information on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience responsibly!
