# **Safety Instruction Guide for 20GAUGE REMCHOKE CHOKE TUBES CARLSONS REMCHOKE 20GA CYLINDER REMINGTON SS**

## **Introduction**

Thank you for choosing the 20GAUGE REMCHOKE CHOKE TUBES from CARLSONS. This guide provides important safety information and instructions for the proper use of your choke tubes. Please read this guide carefully to ensure safe and effective use.

## **General Safety Guidelines**

- Ensure the choke tubes are compatible with your shotgun model before use.
- Always handle firearms and accessories with care and follow all local laws and regulations.
- Store choke tubes in a safe and dry place, away from children and unauthorized users.
- Inspect the choke tubes regularly for signs of wear or damage before each use.
- Do not use damaged or worn choke tubes; replace them immediately.
- Use appropriate ammunition only, as specified in the product details.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Only use the choke tubes with shotguns that are designed for RemChokestyle tubes.
- Ensure that the shotgun is unloaded before installing or removing choke tubes.
- Avoid using the Tru™Choke Thinwall tubes with loads other than 2¾" Lead Shot.
- XFull and Turkey constrictions should only be used with Lead and HeviShot.
- Do not exceed the recommended load specifications for your shotgun and choke tubes.
- Be aware of your surroundings when shooting to ensure safety for yourself and others.

## **Instructions for Installation and Usage**

### **1. Installation of Choke Tubes**

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Use the appropriate choke tube wrench to loosen the existing choke tube.
- Remove the old choke tube and clean the threads of the barrel if necessary.
- Insert the new choke tube into the barrel, ensuring it is properly aligned.
- Tighten the choke tube securely using the wrench, but do not overtighten.

### **2. Usage Guidelines**

- Always check that the choke tube is properly installed before shooting.
- Use only the specified ammunition for your choke tube type.
- Regularly inspect the choke tube for any signs of damage or wear during use.

### **3. PostUsage Care**

- After use, clean the choke tubes with a soft cloth to remove any debris.
- Store the choke tubes in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular waste; check for recycling options if available.
- Ensure that any hazardous materials are handled according to safety guidelines.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or customer service for any inquiries regarding your choke tubes.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience while ensuring safety and compliance with all regulations.
