# Safety Instruction Guide for 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES

## Introduction

Thank you for choosing the 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES by CARLSONS. This guide provides essential safety instructions to ensure the safe use and installation of your choke tubes. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model.
- Always handle firearms and associated accessories with care.
- Keep the choke tubes out of reach of children and unauthorized users.
- Inspect the choke tubes for any damage before each use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Use only approved ammunition with the choke tubes, specifically:
  - Magnum and steel shot loads.
  - Tru™ Choke Thinwall tubes should only be used with 2¾" Lead Shot loads.
  - XFull and Turkey constrictions are for Lead and HeviShot ONLY.
- Avoid using the choke tubes in extreme weather conditions, such as heavy rain or snow, which may affect performance.
- Do not alter or modify the choke tubes in any way.
- Always ensure that the shotgun is unloaded before installing or removing the choke tubes.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is completely unloaded.
- Using a choke wrench, carefully unscrew the existing choke tube from the shotgun.
- Align the new choke tube with the threads of the shotgun barrel.
- Handtighten the choke tube until secure, then use the choke wrench to tighten it slightly (do not overtighten).

### 2. Usage:

- Always verify that the choke tube is securely installed before firing.
- Choose the appropriate choke tube based on the type of shooting and ammunition being used.
- After use, clean the choke tubes to remove any debris or residue.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local waste disposal regulations.
- Do not dispose of choke tubes in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the information provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

Safety is paramount when using firearms and accessories. By following the guidelines and instructions outlined in this document, you can ensure a safe and enjoyable shooting experience with your 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES. Thank you for your attention to safety and responsible use.
