Safety Instruction Guide for 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES. This guide provides important safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before use to help prevent accidents and injuries.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the choke tubes by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Be aware that standardized recall notices may be issued for dangerous products. Stay informed about any recalls related to this product.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, especially children.
- **EU Contact Point:** For safety inquiries regarding this product, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Keep updated on any unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use Only with Compatible Shotguns:** Ensure that the choke tubes are used only with Beretta and Benelli shotguns, specifically the M1 and Super 90 models.
- **Avoid Use with NonRecommended Loads:** Do not use the Tru™ Choke Thinwall tubes with anything other than 2¾" Lead Shot loads. All XFull and Turkey constrictions are for Lead and HeviShot only.
- **Inspect Before Use:** Always inspect the choke tubes for any signs of damage or wear before installation.
- **Installation by Qualified Personnel:** If you are not experienced in installing choke tubes, seek assistance from a qualified gunsmith.
- **Follow Local Laws:** Adhere to all local laws and regulations regarding the use of shotguns and choke tubes.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube if applicable, using a choke wrench.
- Clean the threads of the shotgun barrel before installation.
- Carefully screw the new choke tube into the barrel until it is snug. Do not overtighten.
- Ensure the choke tube is properly seated and aligned.

2. Usage:

- Load the shotgun according to the manufacturer's instructions.
- Use only the recommended ammunition types for the installed choke tube.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

3. **PostUse Care:**

- After use, clean the choke tubes and shotgun barrel to prevent corrosion and buildup.
- Store the choke tubes in a dry, safe location, away from children.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household trash. Instead, take them to a designated recycling or hazardous waste facility if applicable.

Contact Information for Further Support

For any questions or concerns regarding the 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES, please refer to the contact information provided by the retailer or manufacturer.

Thank you for your attention to these safety guidelines. Your safety is our priority.
