# **Safety Instruction Guide for 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES CARLSONS MOBILCHOKE12GA IMP. CYLINDR**

## **Introduction**

Thank you for purchasing the 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES from CARLSONS. This guide provides essential safety instructions and information to ensure the safe use and handling of the product. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation of your shotgun before using the choke tubes.
- Always follow the manufacturer's instructions for your specific shotgun model.
- Use the choke tubes only with compatible shotguns, specifically Beretta and Benelli M1 and Super 90 models.
- Always wear appropriate eye and ear protection when shooting.
- Keep the choke tubes and shotgun stored securely and out of reach of children.
- Regularly inspect the choke tubes for wear or damage before each use.
- Do not use damaged choke tubes; replace them immediately.

## **Specific Safety Precautions for Use**

- Only use the choke tubes with lead and HeviShot loads as specified.
- The Tru™ Choke Thinwall tubes are recommended for 2¾" Lead Shot loads ONLY.
- Avoid using XFull and Turkey constrictions with anything other than Lead and HeviShot.
- Ensure the shotgun is unloaded before installing or removing the choke tubes.
- Do not attempt to install or remove choke tubes while the firearm is loaded.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## **Instructions for Installation and Usage**

### **1. Installation of Choke Tubes**

- Ensure the shotgun is completely unloaded.
- Locate the choke tube wrench (if included) or use a suitable tool.
- Align the choke tube with the threads in the shotgun barrel.
- Carefully screw the choke tube into the barrel by turning it clockwise until it is snug.
- Do not overtighten, as this may damage the threads.

### **2. Usage of Choke Tubes**

- Load the shotgun with the appropriate ammunition for the installed choke tube.
- Always check that the choke tube is securely installed before firing.
- Follow safe shooting practices and be aware of your surroundings while shooting.

### **3. Removal of Choke Tubes**

- Ensure the shotgun is unloaded.
- Use the choke tube wrench to unscrew the choke tube by turning it counterclockwise.
- Carefully remove the choke tube from the barrel and store it in a safe place.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the designated EU contact point for this product. This information can typically be found on the product packaging or the manufacturer's website.

## Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES. Always stay informed about the latest safety updates and product recalls through official channels. Thank you for choosing CARLSONS.
