Safety Instruction Guide for 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES. Your safety and satisfaction are our top priorities. This guide provides essential safety instructions, usage guidelines, and disposal instructions to ensure a safe and effective experience with our product.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with shotguns that accept Mobilchoke tubes. Always ensure that you are using the correct type of ammunition for your specific shotgun model.
- **Enhanced Recalls:** Stay informed about product recalls. In the event of a recall, follow the instructions provided to return or remedy the product.
- **Online Shopping Protections:** When purchasing online, ensure that the seller complies with safety standards. Verify the authenticity of the product before use.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all firearms and related accessories out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the choke tubes are compatible with your shotgun model (Beretta, Benelli M1, or Super 90).
- **Ammunition:** Use only approved ammunition. Tru™ Choke Thinwall tubes are recommended for 2¾" Lead Shot loads ONLY. XFull and Turkey constrictions should only be used with Lead and HeviShot.
- **Installation:** Always follow the installation instructions carefully. Improper installation can lead to malfunctions or accidents.
- **Inspection:** Regularly inspect the choke tubes for wear or damage. Do not use damaged tubes.
- **Storage:** Store choke tubes in a dry, cool place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube from the shotgun using a choke wrench.
- Select the appropriate Mobilchoke tube for your needs.
- Insert the new choke tube into the shotgun barrel and tighten it securely with the choke wrench.
- Doublecheck that the tube is properly installed before loading the shotgun.

2. Usage:

- Load the shotgun with the appropriate ammunition.
- Follow all safety protocols when handling and firing the shotgun.
- Be aware of your surroundings and ensure a safe shooting environment.

Disposal Instructions

- Dispose of any used or damaged choke tubes responsibly.
- Follow local regulations for the disposal of metal and firearm accessories.
- If unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the use of the 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES, please refer to the contact information provided by your retailer or manufacturer. Always ensure you have the latest safety information and guidelines.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly and safely.
