Safety Instruction Guide for 12GAUGE BERETTA/BENELLI MOBILCHOKE CHOKE TUBES

Introduction

Thank you for choosing the 12GAUGE Beretta/Benelli Mobilchoke Choke Tubes. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before use to avoid hazards and ensure compliance with EU safety regulations.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Store the choke tubes in a safe place, out of reach of children.
- Regularly inspect the choke tubes for damage or wear.
- Do not use damaged or worn choke tubes.
- Always follow local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before installing or removing choke tubes.
- Use only compatible ammunition types as specified in the product description.
- Avoid using steel shot loads with XFull and Turkey constrictions.
- Use Tru™ Choke Thinwall tubes only with 2¾" Lead Shot loads.
- Follow the manufacturer's guidelines for installation and removal to prevent injury.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is pointed in a safe direction and is unloaded.
- Remove the existing choke tube using the appropriate tool if necessary.
- Clean the threads of the choke tube and the shotgun's muzzle.
- Screw the new choke tube into the muzzle until snug. Do not overtighten.
- Ensure the choke tube is properly seated and secure.

2. Usage:

- Always check that the choke tube is securely installed before firing.
- Use the appropriate gauge and choke type for your shotgun and ammunition.
- Follow safe handling practices for firearms at all times.

3. Maintenance:

- Clean the choke tubes regularly to prevent buildup of debris.
- Store the choke tubes in a dry place to prevent rust and corrosion.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not dispose of choke tubes in regular household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any inquiries or concerns regarding your choke tubes, please refer to the manufacturer's contact points provided with your product packaging or visit the official website.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Always handle firearms responsibly and in accordance with all applicable laws.
