# Safety Instruction Guide for BENELLI NOVA SHOTGUN MAGAZINE EXTENSION

## Introduction

Thank you for choosing the Benelli Nova Shotgun Magazine Extension by Choate. This guide provides important safety information and instructions for the safe use, installation, and disposal of the magazine extension. Please read this guide carefully to ensure safe operation and compliance with safety standards.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that you are familiar with the operation of your shotgun before using any accessories.
- Store the magazine extension and shotgun in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and storage of firearms and accessories.

## Specific Safety Precautions for Use

- Only use this magazine extension with the Benelli Nova shotgun.
- Ensure that the shotgun is unloaded before installing or removing the magazine extension.
- Do not exceed the recommended capacity of the magazine extension (2 rounds) to avoid malfunction.
- Be aware of your surroundings and ensure that the area is safe before firing your shotgun.
- Use appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### Installation

1. Ensure the shotgun is unloaded and pointed in a safe direction.
2. Remove the existing magazine cap screw by turning it counterclockwise.
3. Replace it with the threaded tube of the magazine extension by screwing it in clockwise until secure.
4. Install the extended spring and follower into the magazine extension.
5. Attach the sling swivel clamp if required.

### Usage

- Load the magazine extension with no more than 2 additional rounds.
- After loading, ensure the shotgun is in a safe condition before handling.
- Follow standard shooting practices and guidelines when using your shotgun.

## Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations for metal recycling or hazardous waste.
- Ensure that all components are completely deactivated and safe for disposal.

## Contact Information for Further Support
