# SKS Dragunov Stock Safety Instruction Guide

## Introduction

Thank you for choosing the SKS Dragunov Stock. This guide provides important safety information, installation instructions, and general guidelines to ensure the safe use of your product. Please read this document carefully before using the stock.

## General Safety Guidelines

- Ensure that the stock is compatible with your SKS rifle before installation.
- Always handle your firearm with care and follow standard firearm safety rules.
- Inspect the stock for any damage before each use.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Be aware of your surroundings when using the firearm equipped with this stock.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended length of pull adjustment of 1 inch.
- Ensure that the stock is securely attached to the rifle before use.
- Avoid using the stock in extreme weather conditions that could affect performance.
- Do not modify or alter the stock in any way, as this may compromise its integrity.
- Use only compatible accessories with the stock to avoid accidents.
- Always wear appropriate safety gear, such as eye and ear protection, when using the firearm.

## Instructions for Installation and Usage

### 1. Unpacking the Stock

- Carefully remove the stock from the packaging.
- Inspect all parts for any visible damage or defects.

### 2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the SKS rifle following the manufacturer's instructions.
- Align the new SKS Dragunov Stock with the receiver of the rifle.
- Secure the stock to the rifle using the provided hardware, ensuring it is tightly fastened.
- Install the handguard separately, ensuring a snug fit.

### 3. Adjusting the Length of Pull

- Locate the spacers included with the stock.
- Insert the appropriate spacer to achieve the desired length of pull, ensuring it is securely in place.

### 4. Final Inspection

- Check that the stock is firmly attached and there are no loose parts.
- Test the adjustment mechanism to ensure smooth operation.

### 5. Usage

- When using the firearm, maintain a proper grip and stance to ensure stability.
- Regularly check the stock for any signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of the stock responsibly in accordance with local regulations.
- If the stock is damaged beyond repair, contact your local waste management facility for proper disposal methods.
- Do not incinerate or dispose of the stock in regular household waste.

## **Contact Information for Further Support**

For inquiries regarding safety or product support, please refer to the manufacturer's official website or contact their customer service department.

Thank you for ensuring your safety and the safety of others while using the SKS Dragunov Stock. Your compliance with these guidelines is essential for a safe and enjoyable experience.
