

H&R SYNTHETIC SHOTGUN BUTTSTOCK - CHOATE H & R SYNTHETIC BUTTSTOCK

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

Conventional-Style Replacement Stock That Never Wears Out

There's a lot of these fine single shots that only need a replacement stock to keep 'em shooting. Indestructible polypropylene stock fits just like the factory original but include a rubber recoil pad plus sling swivel studs. Will not crack; completely unaffected by changes in humidity.

H&R Synthetic Shotgun Buttstock Safety Instruction Guide

Introduction

Thank you for choosing the H&R Synthetic Shotgun Buttstock by Choate. This guide provides essential safety instructions to ensure safe and effective use of your new buttstock. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure that your shotgun is unloaded before installing or handling the buttstock.
- Inspect the buttstock for any visible damage before use. Do not use if damaged.
- Keep the buttstock out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use the buttstock only for its intended purpose with compatible shotguns.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the buttstock is securely attached to the shotgun before use.
- Use the rubber recoil pad to minimize discomfort and improve handling.
- Check that the sling swivel studs are properly installed to avoid accidental detachment.
- Be aware of your surroundings when using the shotgun to avoid accidents.
- Do not attempt to modify or alter the buttstock in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove the existing buttstock by unscrewing the screws or bolts holding it in place.
- Align the H&R Synthetic Buttstock with the shotgun's receiver.
- Secure the buttstock by tightening the screws or bolts until snug. Do not overtighten.
- Attach the rubber recoil pad if not preinstalled.
- Install the sling swivel studs as per manufacturer instructions.

2. Usage:

- Before firing, ensure that the buttstock is securely attached and that all components are functioning correctly.
- Maintain a firm grip on the shotgun while firing to manage recoil effectively.
- Regularly check the buttstock and its attachments for wear and tear, especially after extensive use.

Disposal Instructions

- Dispose of the buttstock in accordance with local regulations.
- If the buttstock is damaged, do not attempt to repair it. Instead, follow your local waste management guidelines for disposal.
- Recycle materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the H&R Synthetic Shotgun Buttstock, please contact the manufacturer or your point of purchase. They will provide assistance and information regarding product safety and support.

Thank you for prioritizing safety and compliance with these guidelines while using your H&R Synthetic Shotgun Buttstock. Enjoy your shooting experience responsibly!
