

RIFLE BUTTSTOCK SPACER PAK - BUTTSTOCK SPACER PAK BLACK POLYMER

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Buttstock Spacers](#)

Innovative, synthetic stock with design features that enhance accuracy and usability. Full length, aluminum insert, molded into the forearm, improves strength without excess weight. Serrated bottom keeps rifle steady when shooting off bags. Accessory rail includes a quick detach bipod adapter. Aluminum blocks give a rock solid, stock-to-action fit; barrel channel is free floating. Butt pad is adjustable for length of pull; cheekpiece adjusts for height, fore and aft position.

RIFLE BUTTSTOCK SPACER PAK Safety Instruction Guide

Introduction

Thank you for choosing the RIFLE BUTTSTOCK SPACER PAK. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide thoroughly before use to understand the safety precautions and proper handling of the buttstock spacer.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage or wear before each use.
- Store the product in a safe location, out of reach of children and pets.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Use the product only for its intended purpose.

Specific Safety Precautions for Use

- The buttstock spacer is designed for adult use. Keep it away from children.
- Ensure that the rifle is unloaded before installation or adjustment of the buttstock spacer.
- Avoid using the product in adverse weather conditions that could affect its performance.
- Do not exceed the recommended length of pull adjustments to maintain safety and comfort.
- If you experience any discomfort or issues while using the product, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including any required screws or fasteners.

2. Installation Steps

- Remove the existing buttstock from the rifle by unscrewing the fasteners.
- Select the appropriate buttstock spacer ($\frac{1}{4}$ ", $\frac{1}{2}$ ", or $\frac{3}{4}$ ") based on your desired length of pull.
- Attach the selected spacer to the rifle using the provided aluminum blocks for a secure fit.
- Ensure that the spacer is properly aligned and tightened to avoid any movement during use.

3. Adjustment

- Adjust the buttpad for the desired length of pull by following the manufacturer's guidelines.
- Adjust the cheekpiece for height and fore/aft position to ensure a comfortable shooting stance.

4. Final Checks

- Once installation is complete, doublecheck all fasteners to ensure they are securely tightened.
- Perform a function check by dry firing the rifle in a safe environment to ensure proper alignment and function.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents any potential hazards to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE BUTTSTOCK SPACER PAK, please refer to the manufacturer's website or contact your retailer for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation.
