The Same, Tactical Sling Mount Used By Our Armed Forces

This genuine, Colt factory part is the one used by our GI s on the M-4 carbine to allow attachment of M203 grenade launchers or forward mounted lights and lasers. Steel, two-piece unit clamps directly around the barrel between the barrel bands of the Mil-Spec front sight housing. Can be mounted at the right or left side of weapon and features a rubber-coated swivel to eliminate sling abrasion and noise. No modifications or gunsmithing required. Also fits AR-15/M16 rifles with conventional front sight housing.

Tactical Sling Mount, Front Safety Instruction Guide

Introduction

Thank you for choosing the Tactical Sling Mount, Front. This product is designed to enhance the functionality of your M4 carbine by allowing the attachment of M203 grenade launchers or forwardmounted lights and lasers. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Tactical Sling Mount is compatible with your firearm before installation.
- Always handle firearms with care and follow all safety protocols associated with firearms.
- Store the Tactical Sling Mount in a dry and secure location when not in use.
- Regularly inspect the Tactical Sling Mount for signs of wear or damage before each use.
- Familiarize yourself with the product and its operation before attempting to use it.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for attachments.
- Ensure that all attachments are securely fastened to prevent accidents during use.
- Avoid using the Tactical Sling Mount in extreme weather conditions that may affect its performance.
- Be cautious of your surroundings when using firearms equipped with the Tactical Sling Mount to prevent accidental injury to yourself or others.
- Always use protective gear, including eye and ear protection, when handling firearms.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before installation.
- Locate the barrel bands of the MilSpec front sight housing on your M4 carbine.
- Position the Tactical Sling Mount around the barrel, ensuring it is between the barrel bands.
- Use the provided clamps to secure the Tactical Sling Mount in place. Ensure it is tightly fastened to prevent movement during use.
- The Tactical Sling Mount can be mounted on either the right or left side of the weapon based on user preference.

2. Usage

- Attach your desired accessories (e.g., M203 grenade launcher, lights, lasers) to the Tactical Sling Mount.
- Ensure all attachments are securely fastened before use.
- Regularly check the stability of the Tactical Sling Mount and any attached accessories during use.

Disposal Instructions

- Dispose of the Tactical Sling Mount in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility if available.

Contact Information for Further Support

For any inquiries regarding the Tactical Sling Mount, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and effective experience with your Tactical Sling Mount, Front. Always prioritize safety and responsible usage when handling firearms and their accessories.
