

# COBRA/PYTHON FRONT SIGHTS - COLT COBRA/PYTHON FIBER OPTIC FRONT SIGHT

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

## Eye-Catching Front Sights Are Easy To See in Low Light

These original Colt factory replacement Cobra Front Sights bring modern low-light sighting technology to Colt's new revolver. They are correct replacement for damaged front fiber optic or Tritium sights OR excellent upgrades if your Cobra came out of the box with a plain "iron" front sight. The Fiber Optic Front Sight's open top lets its red fiber optic rod gather and concentrate available ambient light, so the sight appears to glow and naturally attracts your eye. The self-illuminating Tritium in the Tritium Night Sight's insert produces a soft glow to help you achieve a quick sight picture in really low light, while the eye-catching white ring around the insert attracts the eye in daylight. With either sight, the result is you pick up the sight faster and get it on the target faster for improved shooting performance almost any lighting conditions. Genuine Colt factory part DOES FIT NEW MODEL COLT PYTHON Bright RED fiber optic rod Fits Cobra revolver front sight dovetail Rugged steel sight housing with rich blued finish Front sight ONLY Much to the joy of Colt fans all over the world, the Cobra represents the company's long-awaited return to series revolver production. But preferring a classic wheelgun as your go-to sidearm doesn't mean you have to settle for a traditional plain black front sight. Get your Colt Cobra a genuine factory replacement front Fiber Optic or Tritium sight, and update your revolver to 21st century capabilities.

## Attributes

# COBRA/PYTHON FRONT SIGHTS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the COBRA/PYTHON FRONT SIGHTS for your Colt Cobra or Python revolver. This guide provides essential safety instructions to ensure the safe and effective use of your new front sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including this sight. Follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as outlined by EU regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, consult the relevant EU contact point for assistance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Inspection:** Before installation, inspect the front sight for any visible damage. Do not use if damaged.
- **Installation:** Ensure the firearm is unloaded before installation. Follow the installation instructions carefully to avoid improper fitting.
- **Usage:** Use the front sight only for its intended purpose. Avoid using it in conditions that may compromise safety, such as adverse weather or when the firearm is not properly maintained.
- **Maintenance:** Regularly check the sight for wear or damage. Replace if necessary to maintain optimal performance.
- **Shooting Environment:** Be aware of your surroundings when using your firearm. Ensure a safe shooting environment to prevent accidents.

## Instructions for Installation and Usage

1. **Tools Required:** Ensure you have the necessary tools for installation, including a suitable screwdriver and any other required equipment.
2. **Installation Steps:**
  - **Step 1:** Ensure the revolver is unloaded and pointed in a safe direction.
  - **Step 2:** Remove the existing front sight from the revolver by loosening any screws or fasteners.
  - **Step 3:** Align the COBRA/PYTHON FRONT SIGHT with the dovetail slot on the revolver.
  - **Step 4:** Secure the sight in place using the appropriate screws or fasteners. Ensure it is tightly fitted but avoid overtightening.
  - **Step 5:** Perform a visual inspection to confirm proper installation.
3. **Usage Instructions:**
  - Use the fiber optic or Tritium sight as intended for aiming.
  - Practice regularly to become familiar with the sight's performance in different lighting conditions.
  - Adjust your shooting technique as necessary to accommodate the new sight.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal

methods.

- If the product is damaged or no longer usable, ensure it is safely discarded to prevent accidents.

## Contact Information for Further Support

For any questions or concerns regarding the COBRA/PYTHON FRONT SIGHTS, please refer to the appropriate contact resources available in your region.

Thank you for your attention to these safety instructions. Enjoy improved shooting performance with your new Colt front sight!
