Safety Instruction Guide for MACHINE REST RANSOM GRIP INSERT

Introduction

Thank you for purchasing the MACHINE REST RANSOM GRIP INSERT. This product is designed to enhance your shooting experience by providing a stable platform for your handgun. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the machine rest in a safe and controlled environment.
- Ensure that the area around the machine rest is clear of bystanders before use.
- Regularly inspect the machine rest and all grip inserts for signs of wear or damage.
- Follow all local laws and regulations related to firearms and shooting practices.
- Store the machine rest and grip inserts in a secure location when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the machine rest only with firearms that are compatible with the grip inserts you have selected.
- Ensure that the firearm is unloaded before placing it on the machine rest.
- Always keep your finger off the trigger until ready to shoot.
- Avoid placing your hands or any body part in front of the firearm while it is mounted on the rest.
- Do not modify the machine rest or grip inserts in any way that could compromise safety.
- Be aware of your surroundings and ensure that the shooting range is safe before firing.

Instructions for Installation and Usage

1. Setting Up the Machine Rest

- Place the machine rest on a stable and level surface.
- Adjust the elevation of the rest to suit your shooting position.
- Ensure the positive stop pad is functioning correctly to allow for exact repositioning after each shot.

2. Installing Grip Inserts

- Select the appropriate grip insert for your firearm from the available options.
- Align the grip insert with the machine rest and press it firmly into place until it is secure.
- Confirm that the grip insert is properly attached and stable before placing the firearm on the rest.

3. Using the Machine Rest

- Carefully place your unloaded firearm onto the grip insert.
- Adjust the firearm's position as needed to ensure it is secure and stable.
- Once in position, load the firearm only when you are ready to shoot, and ensure all safety measures are in place.

4. PostUse Procedures

- After shooting, remove the firearm from the machine rest.
- Inspect the machine rest and grip insert for any signs of damage or wear.

- Store the machine rest and grip inserts in a safe location.

Disposal Instructions

- Dispose of the machine rest and grip inserts according to local regulations for nonhazardous waste.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the manufacturer's website or customer support resources. It is essential to have access to accurate information regarding the safe use of your product.

Thank you for choosing the MACHINE REST RANSOM GRIP INSERT. Your safety and satisfaction are our top priorities.
