Safety Instruction Guide for MACHINE REST RANSOM REST ONLY

Introduction

Thank you for purchasing the MACHINE REST RANSOM REST ONLY. This product is designed to enhance your shooting experience by providing stability and precision. To ensure safe and effective use, please carefully read and follow these safety instructions.

General Safety Guidelines

- Always use the machine rest in accordance with the manufacturer's instructions.
- Inspect the machine rest before each use to ensure it is in good condition.
- Do not modify the machine rest in any way, as this may compromise its safety and performance.
- Keep the machine rest out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the machine rest is placed on a stable, level surface before use.
- Use the positive stop pad to reposition the firearm accurately after each shot.
- Adjust the elevation carefully to avoid sudden movements that could lead to accidents.
- Always ensure that the firearm is unloaded when installing or adjusting the grip inserts.
- Do not exceed the manufacturer's weight limit for firearms used with the machine rest.

Instructions for Installation and Usage

1. Setup:

- Place the machine rest on a flat, stable surface.
- Ensure that the positive stop pad is securely in place.

2. Grip Inserts:

- Select the appropriate grip insert for your firearm from the available options.
- Align the grip insert with the designated area on the machine rest.
- Firmly press the grip insert into place until it is secure.

3. Adjusting Elevation:

- Locate the elevation adjustment mechanism.
- Turn the adjustment knob or lever to raise or lower the rest to your desired height.
- Ensure the adjustment is locked in place before use.

4. Repositioning:

- After each shot, use the positive stop pad to return the firearm to the same position.
- This ensures consistent shooting accuracy.

5. PostUse Care:

- Clean the machine rest after each use to maintain its condition.
- Store the machine rest in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the machine rest in accordance with local regulations.
- Ensure that any materials used in the machine rest, such as aluminum and polyurethane, are recycled where possible.
- Do not dispose of the machine rest in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MACHINE REST RANSOM REST ONLY, please refer to the manufacturer's website or customer support channels for assistance.

By adhering to these safety instructions, you can ensure a safe and enjoyable shooting experience. Thank you for choosing the MACHINE REST RANSOM REST ONLY.
