

SNO™ UNIVERSAL GUN GREASE - BIRCHWOOD CASEY 0.5OZ SNO UNIVERSAL GUN GREASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Protects & Lubricates Firearms For Improved Reliability

Advanced formula protects your firearms from corrosion and wear, plus reduces friction to ensure smooth, reliable function of all moving parts. When used on a regular basis, helps your pistols, rifles, and shotguns work easier for a longer service life. Can also be used as a metal preservative when storing your firearms for extended periods of time. Simply apply liberally to metal surfaces after cleaning. Semi-clear and non-staining.

Safety Instruction Guide for SNO™ Universal Gun Grease

Introduction

Thank you for choosing SNO™ Universal Gun Grease by Birchwood Casey. This advanced formula is designed to protect your firearms from corrosion and wear while ensuring smooth and reliable function of all moving parts. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the product label and safety data sheet before use.
- Keep out of reach of children and pets.
- Use in a wellventilated area to avoid inhalation of vapors.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product in accordance with local regulations.

Specific Safety Precautions for Use

- Ensure firearms are unloaded before applying the grease.
- Apply grease only to metal surfaces after cleaning; avoid applying to nonmetal parts.
- Do not use on hot surfaces or near open flames.
- Use gloves when applying to prevent skin contact.
- If you experience any adverse reactions, discontinue use and consult a medical professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition.
- Clean the metal surfaces of the firearm thoroughly to remove dirt, oil, and debris.

2. Application:

- Shake the tube gently before use.
- Apply a liberal amount of SNO™ Universal Gun Grease to the metal surfaces of the firearm.
- Focus on moving parts, including slides, bolts, and other friction points.

3. PostApplication:

- Allow the grease to settle for a few minutes.
- Wipe off any excess grease with a clean cloth.
- Ensure that all parts are functioning smoothly before using the firearm.

4. Storage:

- After use, cap the tube tightly and store it in a cool, dry place.
- Keep the product away from children and pets.

Disposal Instructions

- Dispose of any unused or expired product according to local regulations.
- Do not pour down the drain or dispose of in regular household waste.
- Check with local waste disposal authorities for specific instructions on hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding SNO™ Universal Gun Grease, please refer to the product packaging for contact details of the manufacturer.

By following these safety guidelines and instructions, you can ensure the effective and safe use of SNO™ Universal Gun Grease. Thank you for your attention to safety!
