

LEAD REMOVER CLOTH - BIRCHWOOD CASEY LEAD REMOVER CLOTH, 6" X 9"

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

Chemically-treated cloth effectively attacks lead and copper bore deposit and removes them with only a few passes. Adds luster to nickel and stainless steel surfaces. Instantly removes carbon residue/powder fouling from the face of revolver cylinders and lead/plastic fouling in shotgun barrels.

LEAD REMOVER CLOTH SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Birchwood Casey Lead Remover Cloth. This product is designed to effectively remove lead and copper bore deposits, enhancing the appearance of your firearms. Please read these safety instructions carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used in a wellventilated area.
- Keep the cloth out of reach of children and pets.
- Avoid using the cloth on food items or surfaces that come into contact with food.
- Do not use the cloth near open flames or heat sources.
- Always follow local regulations regarding the disposal of chemical products.

Specific Safety Precautions for Use

- **Chemical Exposure:** The cloth is chemically treated. Avoid direct contact with skin and eyes. If contact occurs, rinse immediately with plenty of water and seek medical advice.
- **Inhalation:** Do not inhale fumes from the cloth. Use in a wellventilated area to minimize inhalation risks.
- **Flammability:** The cloth may be flammable. Keep away from heat, sparks, and open flames.
- **Storage:** Store the cloth in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before use.
- Gather all necessary materials, including the lead remover cloth and any additional cleaning supplies.

2. Using the Cloth:

- Remove the cloth from its packaging.
- Gently rub the cloth against the affected areas of the firearm, applying light pressure.
- For stubborn deposits, allow the cloth to sit on the surface for a few moments before wiping.
- After cleaning, dispose of the cloth according to local regulations.

3. PostUse Care:

- Wash your hands thoroughly after handling the cloth.
- Inspect the firearm to ensure all residues have been removed.

Disposal Instructions

- Dispose of used cloths in accordance with local hazardous waste regulations.
- Do not incinerate the cloth.
- Ensure that the cloth is completely sealed in a plastic bag before disposal to prevent leakage.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of this product, please refer to the manufacturer's contact details, which can be found on the product packaging or the manufacturer's website.

By following these guidelines, you can ensure safe and effective use of the Birchwood Casey Lead Remover Cloth. Thank you for prioritizing safety while maintaining your firearms.
