

SELF-ADHESIVE TARGET SPOTS - BIRCHWOOD CASEY 1" ORANGE TARGET SPOTS, 360-PAK

[Shooting Accessories](#) > [Targets & Accessories](#) > [Target Accessories](#)

Create Instant Bullseyes For All Types Of Target Practice

Bright stick-on target spots are easy to use and convenient for creating instant bullseyes for target practice, sighting in, and other shooting activities that require a target that's easy to see, even at long range. High-contrast, radiant orange-red or fluorescent green color ensures a sharp sight picture for smaller groups. Crosshair lines aid in aligning scope reticles. Orange target spots are available in 1" diameters.

Safety Instruction Guide for SELFADHESIVE TARGET SPOTS BIRCHWOOD CASEY 1" ORANGE TARGET SPOTS, 360PAK

Introduction

Thank you for choosing the Birchwood Casey SelfAdhesive Target Spots. These bright, stickon target spots are designed for easy use in target practice, sighting in, and various shooting activities. This guide provides essential safety instructions to ensure a safe and effective experience while using this product.

General Safety Guidelines

- Ensure that all users are aware of the safety rules related to shooting and target practice.
- Always use target spots in a controlled environment, away from unauthorized individuals, especially children.
- Inspect the product before use for any defects or damage.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the target spots in areas where shooting is prohibited.
- Ensure that the target spots are applied to a suitable surface that can withstand shooting impacts.
- Avoid using the target spots if they are wet or damaged.
- Be cautious of the adhesive backing; it may cause skin irritation in sensitive individuals.
- Do not attempt to modify or alter the target spots in any way.
- Always wear appropriate eye and ear protection when participating in shooting activities.

Instructions for Installation and Usage

1. Preparation:

- Choose a clean, dry surface for applying the target spots.
- Ensure the area is safe for shooting and free from obstructions.

2. Application:

- Peel the target spot from the waxed, peeloff backing sheet.
- Firmly press the target spot onto the desired surface, ensuring it adheres well without air bubbles.

3. Usage:

- Position yourself at a safe distance from the target spot, following the guidelines for your specific shooting activity.
- Aim carefully at the target spot to ensure accurate shooting.

4. PostUse:

- After completing your shooting session, carefully remove any remaining target spots if desired.
- Dispose of any used or damaged target spots responsibly.

Disposal Instructions

- Dispose of used or damaged target spots in accordance with local waste disposal regulations.
- Do not incinerate or expose the product to extreme heat.
- Ensure that the product does not pose a risk to the environment or wildlife during disposal.

Contact Information for Further Support

For any questions or further support regarding the use of this product, please refer to your retailer or the product packaging for appropriate contact details.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
