Safety Instruction Guide for CHOKE TUBE LUBE BIRCHWOOD CASEY

Introduction

Thank you for choosing CHOKE TUBE LUBE by Birchwood Casey. This product is designed to provide effective lubrication and protection for choke tubes, preventing corrosion and galling under high pressure and extreme temperatures. To ensure your safety and the safe use of this product, please read the following safety guidelines carefully.

General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Use the product in a wellventilated area to avoid inhalation of fumes.
- Avoid contact with skin and eyes; use appropriate protective gear.
- Do not use near open flames or heat sources as the product is flammable.
- Store in a cool, dry place away from direct sunlight and heat.

Specific Safety Precautions for Use

- Ensure the product is used only for its intended purpose as a lubricant.
- Check the integrity of the packaging before use; do not use if damaged.
- Avoid ingesting the product; it is not a food product.
- If you experience any adverse reactions (e.g., skin irritation, respiratory issues), discontinue use immediately and seek medical attention.
- Dispose of any unused product according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be lubricated is clean and free of debris.
- Shake the tube gently before use to ensure even distribution of the lubricant.

2. Application:

- Squeeze a small amount of CHOKE TUBE LUBE onto the area to be lubricated.
- Use a clean cloth or applicator to spread the lubricant evenly.
- Allow the lubricant to penetrate for optimal performance.

3. PostApplication:

- Wipe off any excess lubricant to prevent buildup.
- Ensure the cap is tightly closed after use to prevent leakage.

Disposal Instructions

- Dispose of the product and its container in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.
- If the product is no longer usable, contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of CHOKE TUBE LUBE by Birchwood Casey. Your safety is our priority, and we appreciate your commitment to using our products responsibly.
