RIG® UNIVERSAL GUN GREASE Safety Instruction Guide

Introduction

Thank you for choosing RIG® UNIVERSAL GUN GREASE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. RIG® UNIVERSAL GUN GREASE is designed for the maintenance of firearms, offering rust prevention during longterm storage. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in a wellventilated area to avoid inhalation of fumes.
- Keep the product out of reach of children and pets.
- Avoid contact with skin and eyes. If contact occurs, rinse with plenty of water and seek medical advice if irritation persists.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product or waste in accordance with local regulations.

Specific Safety Precautions for Use

- Always wear gloves when applying the grease to avoid skin contact.
- Use only as directed. Apply a thin film to the desired surface.
- Avoid using the product near open flames or heat sources, as it is flammable.
- Ensure that the firearm is unloaded and safe to handle before applying the grease.
- Do not apply the grease to areas that may come into contact with food or beverages.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Clean the surface of the firearm to remove any dirt or old lubricant.

2. Application:

- Squeeze a small amount of RIG® UNIVERSAL GUN GREASE onto a clean cloth or applicator.
- Apply a thin film of grease evenly over the metal surfaces of the firearm, including the barrel, action, and any moving parts.
- Avoid overapplication, as a thin layer is sufficient for protection.

3. Storage:

- After application, store the firearm in a safe and secure location.
- Ensure that the grease is properly sealed in its container when not in use.

Disposal Instructions

- Dispose of any excess grease and containers in accordance with local waste disposal regulations.
- Do not pour grease down drains or into the environment.
- Check with local authorities for specific disposal guidelines related to hazardous waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of RIG® UNIVERSAL GUN GREASE, please contact the manufacturer or your local safety authority. Always ensure you are following the latest safety guidelines and regulations.

By following these instructions and safety guidelines, you can ensure a safe and effective experience with RIG® UNIVERSAL GUN GREASE. Thank you for prioritizing safety in your firearm maintenance practices.
