# RIG® Universal Gun Grease Safety Instruction Guide

## Introduction

Thank you for choosing RIG® Universal Gun Grease. This product has been developed to provide excellent rust prevention and protection for your firearms during longterm storage. This guide outlines important safety information and instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a firearm grease.
- Keep the product out of reach of children and pets.
- Do not ingest the product. It is not safe for consumption.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Use in wellventilated areas to minimize inhalation of vapors.
- Dispose of any unused product in accordance with local regulations.

## Specific Safety Precautions for Use

- Before application, ensure that the firearm is unloaded and pointed in a safe direction.
- Apply a thin film of grease to the metal surfaces of the firearm, avoiding overapplication.
- Do not apply the grease to the firing mechanism or areas where it may interfere with the operation of the firearm.
- If using on multiple firearms, ensure that the grease is not contaminated by dirt or debris.
- In case of accidental spillage, clean the area immediately to avoid slipping hazards.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and safe to handle.
- Clean the surfaces of the firearm where the grease will be applied.

### 2. Application:

- Open the container carefully to avoid spillage.
- Using a clean applicator or cloth, apply a thin layer of RIG® Universal Gun Grease to the metal surfaces.
- Focus on areas prone to rust and corrosion, such as the barrel, action, and trigger assembly.
- Wipe off any excess grease to prevent buildup.

### 3. PostApplication:

- Allow the grease to settle for a few minutes before storing the firearm.
- Store the firearm in a safe, dry location.

## **Disposal Instructions**

- Dispose of any leftover grease and containers in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product packaging or contact the manufacturer directly.

By following these guidelines, you can ensure the safe and effective use of RIG® Universal Gun Grease, providing optimal protection for your firearms. Always stay informed about product safety and recall updates through the EU Safety Gate platform.
