# Safety Instruction Guide for 1911 Extractor Caspian Extractor, Series 70 (SS)

## Introduction

Thank you for choosing the 1911 Extractor Caspian Extractor, Series 70 (SS). This product is designed for serious pistol shooters and is crafted from highquality, precisionmachined parts. To ensure your safety and the safe operation of your firearm, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection while shooting.
- Do not consume alcohol or drugs before or during shooting activities.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the extractor is compatible with your specific model of 1911 Auto (Government, Commander, Officers).
- Use only .45 ACP caliber ammunition with this extractor unless otherwise specified.
- Avoid using damaged or worn parts; replace them immediately to prevent malfunctions.
- Always follow the manufacturer's instructions when installing or replacing parts.
- Never attempt to modify the extractor or any other firearm parts unless you are a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded.
- Gather necessary tools for installation (e.g., screwdriver, punch).

### 2. Installation:

- Remove the slide from the frame of the 1911 Auto.
- Carefully remove the existing extractor using appropriate tools.
- Install the new Caspian extractor by aligning it properly in the slide.
- Ensure that it is securely in place before reassembling the firearm.

### 3. Usage:

- After installation, perform a function check to ensure the extractor operates correctly.
- Load your firearm with appropriate ammunition and ensure it is in a safe condition before firing.
- Regularly clean and maintain your extractor and firearm to ensure optimal performance.

## Disposal Instructions

- Dispose of any defective or worn parts in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.

- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer or authorized dealer. Ensure you have your product details available for reference.

By adhering to these guidelines and precautions, you can help ensure a safe and enjoyable shooting experience with your 1911 Extractor Caspian Extractor, Series 70 (SS). Always prioritize safety and responsibility when handling firearms.
