Safety Instruction Guide for 1911 Extractor Caspian Extractor, Series 80 (SS)

Introduction

Thank you for choosing the 1911 Extractor Caspian Extractor, Series 80 (SS). This highquality, precisionmachined part is designed for serious pistol shooters looking to build or repair a custom 1911 Auto. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat firearms and related components as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and components securely and out of reach of children.
- Regularly inspect your firearm and its components for wear or damage.
- Follow all local laws and regulations regarding firearms and their components.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that all parts are compatible with your specific model of the 1911 Auto (Government, Commander, Officers).
- Use only .45 ACP caliber ammunition unless otherwise specified.
- Do not attempt to modify or alter the extractor or any other components.
- Wear appropriate eye and ear protection when handling or firing the firearm.
- Only use parts from reputable manufacturers to ensure safety and reliability.
- If you are inexperienced with firearms, seek guidance from a qualified instructor before use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools for installation, including screwdrivers and wrenches.

2. Installation:

- Remove the old extractor by following the manufacturer's instructions for your specific model.
- Carefully install the new 1911 Extractor Caspian Extractor, ensuring it is properly seated and aligned.
- Reassemble the firearm according to the manufacturer's guidelines.

3. Usage:

- Once installed, test the firearm in a safe environment to ensure proper function.
- Monitor the extractor for any signs of wear or malfunction during use.
- If any issues arise, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any defective or wornout parts in accordance with local regulations.
- Do not dispose of firearms or components in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the 1911 Extractor Caspian Extractor, Series 80 (SS), please refer to your local regulations or consult a qualified firearms expert.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and usage of firearms and their components.
