# Safety Instruction Guide for 1911 Firing Pin Caspian Firing Pin (SS)

## Introduction

Thank you for choosing the 1911 Firing Pin Caspian Firing Pin (SS). This highquality, precisionmachined part is designed for serious pistol shooters who seek to build or repair their custom 1911 Auto. This guide provides essential safety instructions to ensure the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat firearms and their components as if they are loaded.
- Ensure that you are using the correct parts for your specific model of the 1911 Auto.
- Keep all firearms and components out of reach of children and unauthorized users.
- Regularly inspect your firearm for wear and tear, and replace any worn parts immediately.
- Always follow local laws and regulations regarding firearms and their components.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing any parts.
- Use only the specified caliber (.45 ACP) with this firing pin to avoid malfunctions.
- Be cautious of sharp edges during installation and handling.
- Do not use this product if it shows signs of damage or excessive wear.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a punch and hammer.

### 2. Installation:

- Remove the old firing pin by driving out the retaining pin with a punch.
- Carefully remove the old firing pin from the bolt.
- Insert the new Caspian firing pin into the bolt.
- Secure the firing pin by replacing the retaining pin, ensuring it is properly seated.

### 3. Testing:

- After installation, perform a function check to ensure the firing pin operates correctly.
- Test the firearm at a safe shooting range to confirm reliability.

### 4. Maintenance:

- Regularly clean and lubricate the firing pin and associated parts to ensure optimal performance.
- Inspect the firing pin for any signs of wear and replace as necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Consult local authorities for proper disposal methods of firearm components.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the 1911 Firing Pin Caspian Firing Pin (SS), please refer to your local EUbased contact point or authorized dealer.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the 1911 Firing Pin Caspian Firing Pin (SS). Always prioritize safety and compliance with local laws when handling firearms and their components. Thank you for your attention to these important guidelines.
