# 1911 Firing Pin Stop Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Firing Pin Stop. This highquality, precisionmachined part is designed for serious pistol shooters looking to build or customize their 1911 Auto. Please read this safety instruction guide carefully to ensure safe and effective use of your product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product before each use for any signs of damage or wear.
- If you suspect the product is defective or unsafe, discontinue use immediately and report it to the appropriate authorities.
- Stay informed about any product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the 1911 Firing Pin Stop with compatible models: Government, Commander, and Officers.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Use appropriate tools and follow manufacturer specifications during installation.
- Avoid using excessive force when installing or adjusting the Firing Pin Stop to prevent damage.
- Be aware of the specific caliber requirements; this product is designed for .45 ACP unless otherwise noted.
- Do not modify the Firing Pin Stop beyond the manufacturer's recommendations.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools (e.g., screwdriver, punch, hammer).

#### 2. Remove the Old Firing Pin Stop:

- Use the punch to gently tap out the existing Firing Pin Stop from its position.
- Be cautious not to damage surrounding components.

#### 3. Install the New Firing Pin Stop:

- Align the new Firing Pin Stop with the slot in the slide.
- Gently tap it into place using the hammer and punch until it is securely seated.

#### 4. Final Inspection:

- Verify that the Firing Pin Stop is properly installed and does not move excessively.
- Check the overall functionality of the firearm before use.

### Usage Guidelines

- After installation, conduct a function check of the firearm to ensure everything operates correctly.

- Always follow safe handling practices when using your firearm.
- Store the firearm in a secure location when not in use.

## **Disposal Instructions**

- Dispose of the Firing Pin Stop in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling it if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Firing Pin Stop, please reach out to the manufacturer or your local dealer for assistance. Always ensure you have access to support from a knowledgeable source to address any safety inquiries.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your shooting experience with the utmost care and responsibility.
