1911 Beavertail Grip Safety Safety Instructions

Introduction

Thank you for choosing the 1911 Beavertail Grip Safety. This product is designed for serious pistol shooters looking to enhance their 1911 Auto experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using this product.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Store your firearm and any related components in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and accessories for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and modifications.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the 1911 Beavertail Grip Safety with compatible 1911 models: Government, Commander, and Officers.
- Ensure that the firearm is unloaded before attempting installation or making modifications.
- Use appropriate protective gear, such as safety glasses and gloves, when handling firearm components.
- Be aware of the potential for accidental discharge during installation. Keep your finger off the trigger until you are ready to shoot.
- If you are uncertain about installation or usage, consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: screwdriver, wrench, and any specific tools required for your firearm model.

2. Remove Existing Grip Safety

- Carefully remove the existing grip safety from the firearm.
- Take note of how it is installed for reference during the installation of the new safety.

3. Install the 1911 Beavertail Grip Safety

- Align the new grip safety with the mounting points on the firearm.
- Securely fasten the grip safety using the appropriate tools, ensuring it is tightly in place.

4. Test Functionality

- After installation, check the movement of the grip safety to ensure it functions correctly.
- Ensure that the grip safety engages and disengages as intended when the firearm is gripped.

5. Final Check

- Conduct a final inspection of the firearm to ensure all components are properly installed and secured.

Usage Instructions

- When using the firearm, ensure that your grip activates the safety mechanism.
- Regularly practice safe handling and shooting techniques to familiarize yourself with the grip safety's function.
- Always maintain focus and awareness while handling your firearm, especially during shooting sessions.

Disposal Instructions

- Dispose of any old or unused firearm parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact your local waste management facility for proper disposal methods of firearm-related materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 1911 Beavertail Grip Safety, please consult your local firearms dealer or a qualified gunsmith.

Stay safe and enjoy your shooting experience!
