1911 Beavertail Grip Safety Safety Instructions

Introduction

Thank you for choosing the 1911 Beavertail Grip Safety. This highquality, precisionmachined part is designed for serious pistol shooters looking to enhance the functionality and safety of their 1911 Auto. This guide provides essential safety instructions and guidelines to ensure proper usage and maintenance.

General Safety Guidelines

- Always handle firearms responsibly and follow all local laws and regulations.
- Ensure the firearm is unloaded before installing or handling the grip safety.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect the grip safety for wear or damage. Replace if necessary.
- Use only compatible parts and accessories with the 1911 Auto to avoid malfunctions.

Specific Safety Precautions for Use

- Ensure that the grip safety is properly installed to avoid accidental discharges.
- Test the grip safety function before each use to confirm it engages and disengages correctly.
- Do not rely solely on the grip safety as a substitute for safe handling practices.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Avoid using the firearm in wet or humid conditions unless it is properly maintained, as moisture can affect safety mechanisms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Safety:** If replacing an existing grip safety, carefully disassemble the firearm to access the safety.
3. **Install New Grip Safety:**
 - Align the new grip safety with the frame of the 1911 Auto.
 - Securely fasten it according to manufacturer specifications.
4. **Test Functionality:**
 - After installation, check that the grip safety engages and disengages correctly.
 - Ensure that the firearm does not fire unless the grip safety is fully depressed.

Usage

- Always engage the grip safety when handling or firing the firearm.
- Ensure a proper grip on the firearm to activate the safety mechanism.
- Maintain focus and be aware of your surroundings when using the firearm.

Disposal Instructions

- Dispose of any damaged or nonfunctional grip safety in accordance with local regulations.
- Do not throw away firearms or firearm components in regular trash. Follow your local laws for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Beavertail Grip Safety, please reach out to the manufacturer or your local firearms dealer. It is important to have access to expert advice for any issues or questions you may encounter.

This safety instruction guide is designed to ensure the safe use of the 1911 Beavertail Grip Safety in compliance with the EU General Product Safety Regulation (GPSR). Please adhere to all guidelines and practices outlined in this document to promote safety and responsible firearm handling.
