

# 1911 SLIDE MOUNTED SCOPE BASE - SCOPE MOUNT/WO

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Easy Retro-fit, Slide Mounted Optics For Bullseye And Heavy Slide Guns

Lightweight top mount replaces the Bomar Tuner sight rib and accepts Weaver-style rings to give Bullseye-style guns the advantage of faster sighting, easy-to-shoot optics. Available without (WO) the cut-out for the tuner. Fits round top 1911's with front and rear sights removed. There is NOT a slot cut for the front sight in the mount.

# Safety Instruction Guide for 1911 Slide Mounted Scope Base

## Introduction

Thank you for choosing the 1911 Slide Mounted Scope Base. This product is designed to enhance the accuracy and performance of your Bullseyestyle handgun. It is important to read and follow these safety instructions to ensure safe usage and to comply with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the scope base.
- Inspect the scope base and all components for damage before use. Do not use if any part is damaged.
- Keep the scope base and all accessories out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Use the product only for its intended purpose as specified in this guide.

## Specific Safety Precautions for Use

- Ensure proper fitting: This scope base is designed to fit round top 1911s with front and rear sights removed. Confirm compatibility before installation.
- Avoid excessive force: When tightening screws, use the provided wrench without applying excessive torque to prevent damage.
- Do not modify: Do not alter the scope base or any components, as this may compromise safety and performance.
- Be aware of sighting: The mount does not have a slot cut for the front sight; ensure your sighting system is adjusted accordingly.
- Use appropriate rings: Only use Weaverstyle rings compatible with this scope base.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the provided installation screws and wrench.

### 2. Installation Steps

- Remove the existing Bomar Tuner sight rib from the firearm.
- Align the scope base over the mounting area on the slide.
- Insert the installation screws through the base and into the slide. Ensure they are aligned correctly.
- Use the provided wrench to tighten the screws securely, but do not overtighten.

### 3. Usage

- After installation, attach your Weaverstyle rings and scope following the manufacturer's instructions.
- Test the setup at a safe shooting range to ensure proper alignment and functionality.
- Regularly check the tightness of the screws and the integrity of the mount during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not discard in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the 1911 Slide Mounted Scope Base, please contact your local retailer or manufacturer. Ensure you have your product information ready for any assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 Slide Mounted Scope Base. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these important guidelines.
