# 1911 Recoil Spring Guide Safety Instructions

## Introduction

Thank you for choosing the 1911 Recoil Spring Guide by Clark Custom. This guide provides essential safety instructions to ensure the safe use and maintenance of your recoil spring guide. Please read this document carefully to minimize risks and ensure optimal performance.

## General Safety Guidelines

- Ensure that this product is used only with the 1911 Auto model.
- Always handle firearms with care and follow all local laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the recoil spring guide for any signs of wear or damage.
- Do not use the product if it is damaged or malfunctioning.
- Always wear appropriate safety gear, including eye protection, when using firearms.

## Specific Safety Precautions for Use

- Before installation, ensure the firearm is unloaded and the magazine is removed.
- Handle the recoil spring guide with clean hands to avoid contamination.
- Avoid using excessive force when installing or removing the recoil spring guide.
- Ensure that the guide is properly seated to prevent any binding or misalignment during use.
- If you experience any unusual behavior during operation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools, including the included 5/32" Allen wrench.

### 2. Installation:

- Remove the existing recoil spring guide if applicable.
- Align the twopiece design of the recoil spring guide.
- Thread the two pieces together securely.
- Ensure that the guide is properly seated in the firearm.

### 3. Usage:

- After installation, test the cycling of the firearm to ensure smooth operation.
- Monitor the performance during use; if any issues arise, discontinue use immediately.

### 4. Maintenance:

- Regularly clean the recoil spring guide to prevent buildup of debris.
- Inspect the guide for signs of wear or damage after every use.

## Disposal Instructions

- Dispose of the recoil spring guide in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options if available in your area.

## Contact Information for Further Support

For any safety inquiries or concerns regarding your recoil spring guide, please reach out to the appropriate EUbased contact point for assistance. Ensure you have your product details ready for a smoother inquiry process.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your firearm are our top priorities.
