## Headspace Gauge Sets In Popular Rifle & Pistol Calibers

CLYMER GO & NO-GO HEADSPACE GAUGE SETS The Clymer Go & No-Go Headspace Gauge Sets are essential tools for gunsmiths and firearm enthusiasts, designed to accurately measure and ensure proper chamber headspace in rifles. These gauges verify that a firearm's chamber meets the Sporting Arms and Ammunition Manufacturers' Institute (SAAMI) specifications, ensuring safe and reliable operation. Key Features: Precision Measurement: Each gauge is precision-machined from high-quality steel to exact SAAMI specifications, providing accurate assessments of chamber dimensions. Comprehensive Sets: Each set includes one "Go" gauge and one "No-Go" gauge for a specific caliber, allowing for thorough evaluation of a firearm's chamber size. Durable Storage: The gauges come in a handy, durable plastic carrying case, offering protection and easy organization. Specifications: Material: Machined steel Standards: Manufactured to SAAMI specifications Included Gauges: "Go" Gauge: Confirms the minimum chamber size "No-Go" Gauge: Identifies excessive chamber size Caliber Options: Available in various calibers to suit different firearms Customer Insights: Our customers consistently praise the Clymer Go & No-Go Headspace Gauge Sets for their precision and reliability. Many appreciate the inclusion of both gauges in a single set, simplifying the process of checking headspace. The durable plastic carrying case is also highlighted as a convenient feature for storage and transport. Incorporating the Clymer Go & No-Go Headspace Gauge Sets into your firearm maintenance routine ensures that your rifles operate within safe headspace parameters, enhancing both safety and performance.

# GO/NOGO GAUGE SETS CLYMER 7.62X54R HEADSPACE GAUGE KIT STEEL Safety Instruction Guide

## Introduction

Thank you for purchasing the GO/NOGO GAUGE SETS CLYMER 7.62X54R HEADSPACE GAUGE KIT. This guide provides essential safety instructions to ensure the safe and effective use of your gauge kit. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the gauges are used in a safe environment, away from children and vulnerable individuals.
- Inspect the gauges for any visible damage before use. Do not use damaged gauges.
- Follow all local laws and regulations regarding firearms and ammunition.
- Use the gauges only for their intended purpose, which is to check headspace in firearms chambered for 7.62x54R.
- Store the gauge kit in a secure location when not in use to prevent unauthorized access.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the gauges.
- Wear appropriate personal protective equipment, such as safety glasses, when using the gauges.
- Do not attempt to modify or alter the gauges in any way.
- Only use the gauges with firearms that are compatible with the 7.62x54R cartridge.
- If you are unsure about the correct usage of the gauges, consult a qualified gunsmith or professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have a clean and welllit workspace.
- Gather the necessary tools, including the GO and NOGO gauges from the kit.

### 2. Checking Headspace:

- Ensure that the firearm is completely unloaded.
- Remove the bolt or bolt carrier from the firearm, if applicable.
- Insert the GO gauge into the chamber of the firearm.
- Attempt to close the bolt. If the bolt closes easily, the headspace is acceptable.
- Next, insert the NOGO gauge into the chamber.
- Attempt to close the bolt again. If the bolt does not close, the headspace is within acceptable limits.
- If the bolt closes on the NOGO gauge, do not use the firearm until it has been inspected by a qualified gunsmith.

### 3. PostUsage:

- Clean the gauges after use to remove any debris or contaminants.
- Store the gauges in their carrying case to protect them from damage.

## Disposal Instructions

- Dispose of any damaged or unusable gauges in accordance with local regulations.
- Do not throw the gauges in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the GO/NOGO GAUGE SETS CLYMER 7.62X54R HEADSPACE GAUGE KIT, please refer to your retailer or manufacturer for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your GO/NOGO GAUGE SETS CLYMER 7.62X54R HEADSPACE GAUGE KIT. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety measures.
