PILOT PACKS CLYMER .22 CALIBER BUSHING PACK

Safety Instruction Guide

Introduction

Thank you for choosing the PILOT PACKS CLYMER .22 CALIBER BUSHING PACK. This product is designed to enhance the performance of Clymer piloted reamers. It is essential to understand and follow safety guidelines to ensure safe and effective use. This guide provides important safety information, usage instructions, and disposal guidelines to help you use this product safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential risk of injury if the product is used improperly.
 - Risk of damage to the reamer if the wrong bushing size is used.
- **Avoiding Hazards:**
 - Always verify the compatibility of the bushing size with your reamer before use.
 - Do not exceed the specified tolerances when using the bushings.
 - Ensure that the reamer is securely mounted and stable before beginning any operation.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Ensure that only trained adults handle and operate this product.

Instructions for Installation and Usage

- **Installation:**
 1. Select the appropriate bushing size from the pack (.2186 or .2194 for .22 caliber).
 2. Ensure that the reamer is clean and free of debris.
 3. Carefully insert the chosen bushing into the reamer, ensuring a snug fit.
 4. Confirm that the bushing is correctly seated before proceeding.
- **Usage:**
 1. Follow all manufacturer instructions for operating the reamer.
 2. Monitor the operation closely for any unusual sounds or behaviors.
 3. If any issues arise, stop using the product immediately and inspect for damage.
 4. After use, clean the bushings and reamer to prevent buildup of materials.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste. Follow local guidelines for hazardous waste disposal if applicable.

Contact Information for Further Support

For any safety inquiries or further support regarding the PILOT PACKS CLYMER .22 CALIBER BUSHING PACK, please refer to the appropriate contact points as needed.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your PILOT PACKS CLYMER .22 CALIBER BUSHING PACK. Always prioritize safety and report any concerns regarding product safety to the relevant authorities. Thank you for your attention to these important guidelines.
