## Headspace Gauge Sets In Popular Rifle & Pistol Calibers

CLYMER GO & NO-GO HEADSPACE GAUGE SETS The Clymer Go & No-Go Headspace Gauge Sets are essential tools for gunsmiths and firearm enthusiasts, designed to accurately measure and ensure proper chamber headspace in rifles. These gauges verify that a firearm's chamber meets the Sporting Arms and Ammunition Manufacturers' Institute (SAAMI) specifications, ensuring safe and reliable operation. Key Features: Precision Measurement: Each gauge is precision-machined from high-quality steel to exact SAAMI specifications, providing accurate assessments of chamber dimensions. Comprehensive Sets: Each set includes one "Go" gauge and one "No-Go" gauge for a specific caliber, allowing for thorough evaluation of a firearm's chamber size. Durable Storage: The gauges come in a handy, durable plastic carrying case, offering protection and easy organization. Specifications: Material: Machined steel Standards: Manufactured to SAAMI specifications Included Gauges: "Go" Gauge: Confirms the minimum chamber size "No-Go" Gauge: Identifies excessive chamber size Caliber Options: Available in various calibers to suit different firearms Customer Insights: Our customers consistently praise the Clymer Go & No-Go Headspace Gauge Sets for their precision and reliability. Many appreciate the inclusion of both gauges in a single set, simplifying the process of checking headspace. The durable plastic carrying case is also highlighted as a convenient feature for storage and transport. Incorporating the Clymer Go & No-Go Headspace Gauge Sets into your firearm maintenance routine ensures that your rifles operate within safe headspace parameters, enhancing both safety and performance.

# CLYMER GO & NOGO HEADSPACE GAUGE SETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Clymer Go & NoGo Headspace Gauge Sets. These gauges are essential tools for ensuring the proper functioning of your firearms by accurately measuring chamber headspace. This guide provides important safety information and instructions to help you use the product effectively and safely.

## General Safety Guidelines

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure that your work area is clean and free from distractions.
- Store gauges in a safe location, out of reach of children and unauthorized users.
- Regularly inspect gauges for any signs of damage or wear before use.
- Use the gauges only for their intended purpose and according to the instructions provided.

## Specific Safety Precautions for Use

- Before using the gauges, ensure that the firearm is unloaded and pointed in a safe direction.
- Only use the gauges with the specific caliber for which they are designed.
- Do not force the gauges into the chamber; they should fit without excessive pressure.
- If the "NoGo" gauge fits in the chamber, do not use the firearm until it has been checked by a qualified gunsmith.
- Always wear appropriate safety gear, including eye protection, when working with firearms.

## Instructions for Installation and Usage

### 1. Prepare Your Firearm:

- Ensure the firearm is completely unloaded and in a safe condition.
- Remove any ammunition from the area.

### 2. Using the Go Gauge:

- Insert the "Go" gauge into the chamber of the firearm.
- The gauge should fit easily without excessive force.
- If the gauge fits, the chamber is within the minimum specifications.

### 3. Using the NoGo Gauge:

- Next, insert the "NoGo" gauge into the chamber.
- The gauge should not fit if the chamber is within safe specifications.
- If the "NoGo" gauge fits, do not use the firearm until it has been inspected by a qualified gunsmith.

### 4. Storing Your Gauges:

- After use, clean the gauges if necessary and store them in the provided carrying case.
- Ensure that the case is kept in a secure location, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of any damaged or worn gauges according to local regulations.

- Do not throw away gauges in regular household waste; instead, check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

- For safety inquiries or additional support, please contact the manufacturer or retailer from whom you purchased the product. Ensure that you have your product information available for reference.

By following these safety instructions, you can help ensure the safe and effective use of the Clymer Go & NoGo Headspace Gauge Sets. Thank you for prioritizing safety in your firearm maintenance practices.
