MATCH .22 LR Finish Reamer Safety Instruction Guide

Introduction

Thank you for choosing the CLYMER MATCH .22 LR Finish Reamer. This product is designed to meet SAAMI match specifications for bolt action firearms using true MATCH ammunition. To ensure safe and effective use of this tool, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always wear appropriate safety gear, including eye protection, when using the reamer.
- Ensure the reamer is used in a wellventilated area to avoid inhalation of any debris.
- Keep the reamer out of reach of children and unauthorized users.
- Inspect the reamer for any damage before each use; do not use if damaged.
- Follow all local, state, and national regulations regarding the use of reamers and firearms.

Specific Safety Precautions for Use

- Use the reamer only with compatible firearms specified for .22 Long cartridges.
- Ensure that the firearm is unloaded before beginning any work with the reamer.
- Always secure the firearm in a stable position to prevent movement during reaming.
- Avoid applying excessive force; let the tool do the work to prevent tool breakage or injury.
- Do not attempt to ream if you are not familiar with the process; seek professional assistance if needed.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the necessary tools and a clean workspace.
- Gather safety equipment including eye protection and gloves.

2. Installation

- Insert the reamer into the appropriate chuck or holder.
- Ensure the reamer is securely fastened and aligned properly.

3. Usage

- Confirm that the firearm is unloaded and safely positioned.
- Begin reaming at a slow speed, allowing the tool to cut without excessive pressure.
- Periodically check the reamer for wear and debris buildup; clean as necessary.
- After reaming, inspect the chamber for any irregularities.

4. PostUse

- Clean the reamer and store it in a safe, dry place.
- Dispose of any debris in accordance with local regulations.

Disposal Instructions

- Dispose of the reamer responsibly, adhering to local waste management regulations.
- Do not dispose of the reamer in regular household waste if it is damaged or unusable; contact local

authorities for guidance on proper disposal.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the CLYMER MATCH .22 LR Finish Reamer, please reach out to the designated EU contact point for product safety.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your CLYMER MATCH .22 LR Finish Reamer. Thank you for your attention to safety, and enjoy your reaming experience.
