# Safety Instruction Guide for .22 LR "BENTZ" SemiAuto Match Reamer

## Introduction

Thank you for choosing the .22 LR "BENTZ" SemiAuto Match Reamer from CLYMER. This product is designed to ensure reliable chambering of true, match ammunition in semiauto firearms. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the reamer in accordance with the manufacturer's instructions.
- Keep the reamer out of reach of children and unauthorized users.
- Inspect the reamer for any damage or wear before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the reamer.
- Always work in a wellventilated area to avoid inhalation of any metal shavings or debris.
- Dispose of metal shavings and debris in accordance with local regulations.

## Specific Safety Precautions for Use

- Ensure that the reamer is compatible with the firearm you are using.
- Do not attempt to modify or alter the reamer in any way.
- Avoid excessive force when using the reamer to prevent damage to the tool or the firearm.
- Always secure the firearm in a stable position when using the reamer.
- Be aware of your surroundings and ensure that no one is in the vicinity when using the reamer.
- If you are inexperienced with firearms or reaming tools, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning.
- Ensure that the work area is clean and free of obstructions.

### 2. Installation of the Reamer:

- Secure the reamer in a suitable reaming machine or drill press.
- Ensure that the shank of the reamer is properly tightened to prevent slippage during use.

### 3. Using the Reamer:

- Align the reamer with the chamber of the firearm.
- Gradually apply pressure to the reamer, allowing it to cut smoothly without forcing it.
- Periodically withdraw the reamer to clear any accumulated debris and ensure proper cutting.

### 4. PostUse Care:

- Clean the reamer after use to remove any metal shavings or debris.
- Store the reamer in a safe and dry location, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the reamer in accordance with local regulations regarding metal waste.
- Ensure that any damaged or worn reamer is disposed of safely to prevent accidental injury.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and handling of this product.
