

# RIMMED & BELTED RIFLE CHAMBERING REAMERS - CLYMER 25-20 WINCHESTER FINISHER CHAMBER REAMER

[Gunsmith Tools](#) > [Barrel Tools](#) > [Reamers](#) > [Centerfire Reamers](#)

## Finest Workmanship & Quality; Made In USA From M-7 High Speed Steel

Made by Clymer, a truly dedicated group of gun people, from best quality, M-7 High-Speed Steel. These are precision tools for the professional gunsmith and will give a lifetime of service when properly cared for. Fully guaranteed. Roughers are .010" smaller in diameter than the final size, do not cut the throat area and should be used to save wear on the Finish Reamer when many chambers are to be cut. If only a few chambers will be cut, a Finish Reamer is all you need. Superb quality reamers made to SAAMI specifications.

# Safety Instruction Guide for Clymer 2520 Winchester Finisher Chamber Reamer

## Introduction

Thank you for choosing the Clymer 2520 Winchester Finisher Chamber Reamer. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the reamer.

## General Safety Guidelines

1. **Product Safety:** This reamer is designed for professional use by trained gunsmiths. Ensure you are familiar with its operation before use. Always handle this tool with care to avoid injuries.
2. **Enhanced Recalls:** Stay informed about potential recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
3. **Online Shopping:** When purchasing online, ensure that the seller complies with EU safety regulations. Verify that the product is genuine and safe for use.
4. **Special Consumer Focus:** Keep this product out of reach of children. It is not intended for use by individuals under the age of 18.
5. **EU Contact Point:** For safety inquiries, always refer to the manufacturer or authorized distributor for assistance.
6. **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

**Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when using the reamer.

**Work Area:** Ensure your work area is clean, welllit, and free from distractions. Avoid clutter that may lead to accidents.

**Tool Inspection:** Before use, inspect the reamer for any signs of damage or wear. Do not use if damaged.

**Proper Handling:** Always hold the reamer by the shank and avoid touching the cutting edges to prevent cuts and injuries.

**Cutting Technique:** Use the reamer at the recommended speed and pressure. Do not force the tool; let it cut naturally.

## Instructions for Installation and Usage

1. **Installation:** Ensure the reamer is securely mounted in the drill or machine. Use the appropriate chuck for the shank size (7/16" round or 1/4" round for .22 RF).
2. **Usage:** Start the machine at a low speed to ensure control. Gradually increase speed as needed, monitoring the cutting process closely. Apply consistent, moderate pressure while reaming. Avoid excessive force which may damage the tool or workpiece.
3. **Finishing:** After finishing the chamber, clean the reamer with a suitable solvent to remove any debris. Store the reamer in a protective case to prevent damage.

## Disposal Instructions

**Disposal of the Product:** When the reamer has reached the end of its useful life, dispose of it in accordance with local regulations for metal tools.

**Environmental Considerations:** Do not dispose of the reamer in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Clymer 2520 Winchester Finisher Chamber Reamer, please refer to the manufacturer's website or authorized distributor. They can provide you with the necessary support and information.

By following these safety instructions, you can ensure safe and effective use of the Clymer 2520 Winchester Finisher Chamber Reamer. Thank you for prioritizing safety in your work.
