

PISTOL CHAMBERING REAMERS - CLYMER RIMMED FINISHER STYLE REAMER FITS .44 MAGNUM BARREL

[Gunsmith Tools](#) > [Barrel Tools](#) > [Reamers](#) > [Centerfire Reamers](#)

Cut Accurate Chambers For Rimmed, Rimless, & Rimfire Handgun Cartridges

Made by Clymer, a truly dedicated group of gun people, from best quality, M-7 High-Speed Steel. These are precision tools for the professional gunsmith and will give a lifetime of service when properly cared for. Fully guaranteed. Roughers are .010" smaller in diameter than the final size, do not cut the throat area and should be used to save wear on the Finish Reamer when many chambers are to be cut. If only a few chambers will be cut, a Finish Reamer is all you need. Superb quality reamers made to SAAMI specifications.

Note: If you do not see the caliber you are looking for below, please feel free to contact our [Special Orders Department](#), as many additional items are available from Clymer.

Safety Instruction Guide for PISTOL CHAMBERING REAMERS CLYMER RIMMED FINISHER STYLE REAMER FITS .44 MAGNUM BARREL

Introduction

Thank you for purchasing the Clymer Rimmed Finisher Style Reamer for .44 Magnum Barrel. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the reamer.

General Safety Guidelines

- Ensure that you are of legal age and possess the necessary qualifications to handle firearms and related tools.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the reamer.
- Keep the reamer and all tools out of reach of children and unauthorized users.
- Inspect the reamer for any signs of damage or wear before each use. Do not use if damaged.
- Store the reamer in a safe, dry place when not in use to prevent accidents and ensure longevity.
- Follow all local laws and regulations regarding the use of firearms and tools.

Specific Safety Precautions for Use

- Use the reamer only for its intended purpose: chambering .44 Magnum barrels.
- Ensure that the firearm is unloaded and safe before beginning any work.
- Use the reamer in a well-ventilated area to avoid inhaling any metal shavings or debris.
- Avoid wearing loose clothing or jewelry that may get caught in the machinery.
- Do not attempt to modify the reamer or use it for any purpose other than its intended use.
- If you experience any discomfort or pain while using the reamer, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the reamer, a suitable drill or lathe, and any other required equipment.
- Ensure that your workspace is clean and organized.

2. Installation:

- Secure the reamer in the appropriate drill or lathe according to the manufacturer's instructions.
- Ensure that the reamer is properly aligned to avoid miscuts.

3. Using the Reamer:

- Start the drill or lathe at a low speed to ensure control.
- Gradually increase the speed as necessary, keeping a steady hand.
- Apply even pressure while reaming to achieve a smooth finish.
- Periodically check the chamber for progress and ensure that the reamer is not binding.

4. Post Use:

- Once finished, carefully remove the reamer from the drill or lathe.
- Clean the reamer to remove any metal shavings or debris.
- Store the reamer in its designated storage place.

Disposal Instructions

- Dispose of any metal shavings or debris in accordance with local regulations regarding hazardous waste.
- When the reamer has reached the end of its useful life, dispose of it responsibly. Consider recycling options if available.

Contact Information for Further Support

For any inquiries or further assistance regarding the use of this product, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for prioritizing safety while using the Clymer Rrimmed Finisher Style Reamer. Your adherence to these guidelines will help ensure a safe and effective experience.
