## THANDLE Safety Instructions

### Introduction

Thank you for choosing the REAMER HANDLE CLYMER THROATER/.22 THANDLE. This product is designed for professional gunsmithing and is made from highquality M7 HighSpeed Steel. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always handle tools with care and respect.
- Ensure you are familiar with the tool's operation before use.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage before each use.
- Use the tool only for its intended purpose.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves.
- Store the tool in a safe and dry place when not in use.

### Specific Safety Precautions for Use

- Check that the reamer is properly secured in the handle before use.
- Avoid applying excessive force while using the tool to prevent breakage or injury.
- Do not use the tool if you are fatigued or under the influence of drugs or alcohol.
- Ensure that the work area is clean and free of distractions.
- Be aware of your surroundings and ensure that no one is in the immediate vicinity while using the tool.
- If you notice any unusual sounds or vibrations during use, stop immediately and inspect the tool.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure that the reamer is compatible with the handle.
- Align the reamer with the handle's socket.
- Secure the reamer in place according to the manufacturer's instructions.

#### 2. Usage:

- Hold the handle firmly with one hand while guiding the reamer with the other.
- Apply even pressure while reaming to achieve a smooth finish.
- Frequently check the depth of the ream to avoid overcutting.
- After use, clean the tool and remove any debris or residue.

### Disposal Instructions

- Dispose of the tool responsibly according to local regulations.
- If the tool is damaged beyond repair, consider recycling the metal components.
- Do not dispose of the tool in regular household waste.
