

GO HEADSPACE GAUGES - CLYMER 7MM MAUSER GO GAUGE HEADSPACE GAUGE STEEL

[Gunsmith Tools](#) > [Measuring Tools](#) > [Headspace Gauges](#)

Absolutely Essential For Accurate, Safe, Chamber Work

CLYMER GO HEADSPACE GAUGES The Clymer Go Headspace Gauges are precision tools designed to assist gunsmiths and firearm enthusiasts in verifying the minimum safe chamber dimensions of rifles and shotguns. Proper headspace is crucial for ensuring that a firearm can chamber and fire a cartridge safely, preventing potential malfunctions or safety hazards. These gauges are essential when chambering new barrels, performing routine maintenance, or evaluating used firearms for purchase. Key Features: Precision Machining: Each gauge is crafted from high-quality steel and machined to exact SAAMI specifications, ensuring accurate and reliable measurements. Caliber Specificity: Available in a wide range of calibers, these gauges cater to various firearm types, providing versatility for gunsmiths working with multiple platforms. Durable Construction: Built to withstand repeated use, the hardened steel construction ensures longevity and consistent performance in demanding workshop environments. Specifications: Material: Hardened steel Dimensions: Size varies with caliber and gauge style Compliance: Manufactured to SAAMI specifications Customer Insights: Customers value the Clymer Go Headspace Gauges for their precision and reliability. The accurate machining and adherence to industry standards provide confidence during firearm assembly and inspection processes. Users appreciate the wide range of available calibers, allowing them to select the appropriate gauge for their specific needs. The durable construction is frequently highlighted, with many noting that the gauges maintain their accuracy even after extensive use. Incorporating the Clymer Go Headspace Gauges into your gunsmithing toolkit ensures that your firearm chambers meet minimum safe dimensions, enhancing both safety and performance.

Attributes

- Name: [CLYMER 7MM MAUSER GO GAUGE HEADSPACE GAUGE STEEL](#)
- Manufacturer: [CLYMER](#)
- Product no.: 184100280
- Mfr. No.: GO7X57
- Cartridge: 7 mm Mauser (7 x 57 mm Mauser),257 Roberts
- Colour: Steel
- Height: 0.43"
- Length: 1.952"
- Material: Steel
- Model Number: 7mm Mauser GO
- Style: Go Gauge
- Weight: 0.1 lbs
- Width: 0.43"
- Delivery weight: 0.023kg
- Shipping height: 13mm
- Shipping width: 20mm
- Shipping length: 58mm

GO GAUGE HEADSPACE GAUGE STEEL Safety

Instruction Guide

Introduction

Thank you for choosing the HEADSPACE GAUGES GO CLYMER 7MM MAUSER GO GAUGE HEADSPACE GAUGE. This product is designed to ensure the safe and accurate measurement of the chamber length of your rifle. Proper use of this gauge is essential for chambering a new barrel and ensuring the safety and functionality of your firearm. This guide provides important safety instructions and guidelines to help you use this product effectively and safely.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the headspace gauge.
- Store the gauge in a safe location, out of reach of children and unauthorized users.
- Inspect the gauge for any signs of damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and handling of firearms and ammunition.
- Use the gauge in a welllit and organized workspace to prevent accidents and ensure accuracy.
- Be aware of your surroundings and ensure that no one else is in the vicinity when using the gauge.

Specific Safety Precautions for Use

- **For Used Firearms:** Always check the headspace before firing a used gun to ensure safety.
- **Gauge Identification:** Familiarize yourself with the gauge markings, including "Go" and "NoGo" indicators, to avoid incorrect usage.
- **Caliber Compatibility:** Ensure that you are using the gauge with the correct caliber. Refer to the compatibility list for interchangeable gauges.
- **Handling:** Handle the gauge with care to avoid dropping or damaging it, which could affect its accuracy.
- **Follow Manufacturer Instructions:** Always adhere to the manufacturer's instructions for use and maintenance of the gauge.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and materials for measuring headspace.

2. Using the Gauge:

- Insert the gauge into the chamber of the rifle.
- Ensure that the gauge fits snugly in the chamber without excessive force.
- Check the marking on the gauge:
 - If the gauge fits, the headspace is within acceptable limits (Go).
 - If the gauge does not fit, the headspace is excessive (NoGo), and further inspection or adjustment is required.

3. PostMeasurement:

- Remove the gauge from the chamber carefully.
- Clean the gauge after use to ensure longevity and accuracy.

- Store the gauge in its designated case or location.

Disposal Instructions

- Dispose of any damaged or worn gauges in accordance with your local waste disposal regulations.
- Do not throw the gauge in regular household waste if it is made of materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the use of the HEADSPACE GAUGES GO CLYMER 7MM MAUSER GO GAUGE HEADSPACE GAUGE, please refer to the manufacturer's website or customer support resources for additional assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your HEADSPACE GAUGES GO CLYMER 7MM MAUSER GO GAUGE HEADSPACE GAUGE. Always prioritize safety and adherence to regulations when handling firearms and related equipment.
