# Safety Instruction Guide for SHOTGUN BARREL FACER (NO PILOT)

## Introduction

Thank you for purchasing the SHOTGUN BARREL FACER. This tool is designed to face off shotgun barrels exactly square to the bore, making it ideal for repairing dings or preparing for the installation of screw-in chokes. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the SHOTGUN BARREL FACER in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, well-lit, and free from distractions.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against debris and sharp edges.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for signs of wear or damage before use.
- If the tool appears damaged or is not functioning properly, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the shotgun barrel is securely clamped before using the SHOTGUN BARREL FACER.
- Always operate the tool at the recommended speed to prevent overheating or damage.
- Do not exceed the recommended shank size when using the tool with a hand drill or drill press.
- Avoid loose clothing and jewelry that may become entangled in the tool during operation.
- Maintain a firm grip on the tool while in use to prevent slipping.
- Do not attempt to modify the tool in any way, as this may compromise safety and effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the SHOTGUN BARREL FACER, a hand drill or drill press, and safety equipment.
- Ensure the area is clear and that you have enough space to work safely.

### 2. Setup:

- Secure the shotgun barrel in a vice or appropriate clamping device to prevent movement during operation.
- Attach the SHOTGUN BARREL FACER to the hand drill or drill press, ensuring it is tightly secured.

### 3. Operation:

- Turn on the drill or drill press at a low speed to begin.
- Gradually increase speed as needed, maintaining a steady pressure on the tool.
- Move the tool evenly across the barrel surface, ensuring a consistent cut.

### 4. Finishing:

- Once the barrel is faced, turn off the drill or drill press and carefully remove the tool.
- Inspect the barrel to ensure a smooth and even finish has been achieved.

## 5. **Cleaning:**

- After use, clean the SHOTGUN BARREL FACER to remove any debris or residue.
- Store the tool in a safe, dry place away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of the SHOTGUN BARREL FACER in accordance with local regulations regarding metal waste.
- Do not dispose of the tool in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided by the manufacturer or retailer at the time of purchase.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the SHOTGUN BARREL FACER. Always prioritize safety and do not hesitate to seek assistance if you have any questions or concerns. Thank you for choosing our product, and we wish you successful and safe usage.
