

ARBOR ADAPTERS & SHAFT FLANGES - ARBOR ADAPTER, 5/8" ID

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Buffer Adapters](#)

Gives Polishing Wheels Proper Support; Fit To Any Size Shaft

ARBOR ADAPTERS convert polishing or grinding wheels with 1" arbor opening to fit smaller motor shafts. SHAFT FLANGES give polishing wheels extra side support; provide a bearing surface for the shaft nut so you can lock the wheel down tight.

Safety Instruction Guide for ARBOR ADAPTERS & SHAFT FLANGES

Introduction

Thank you for choosing the ARBOR ADAPTERS & SHAFT FLANGES. This product is designed to enhance the functionality of polishing and grinding wheels. To ensure your safety and the safe use of this product, please read this guide carefully. It contains essential safety information, usage instructions, and disposal guidelines.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ARBOR ADAPTERS & SHAFT FLANGES by following all guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices. Check regularly for updates.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the provided contact information from your retailer.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instruction manual before using the product.
- **Inspect Before Use:** Check the ARBOR ADAPTERS and SHAFT FLANGES for any damage before installation.
- **Use Appropriate Tools:** Ensure you are using the correct tools for installation to avoid accidents.
- **Avoid Overloading:** Do not exceed the recommended load capacity of the polishing or grinding wheels.
- **Wear Personal Protective Equipment:** Always wear safety goggles and gloves when operating machinery with these adapters and flanges.
- **Keep Work Area Clean:** Maintain a tidy workspace to prevent accidents and ensure safe operation.
- **Avoid Loose Clothing:** Do not wear loose clothing or jewelry that could become entangled in machinery.

Instructions for Installation and Usage

1. Preparation:

- Ensure the power source is disconnected before installation.
- Gather necessary tools for installation.

2. Installation of ARBOR ADAPTER:

- Insert the ARBOR ADAPTER into the motor shaft.
- Ensure a snug fit; the adapter should not wobble.
- If necessary, shorten the adapter to fit your application, ensuring it remains secure.

3. Installation of SHAFT FLANGE:

- Place the SHAFT FLANGE onto the motor shaft.
- Ensure the flange is positioned correctly to provide adequate support for the polishing wheel.
- Tighten the shaft nut securely against the flange to lock the wheel in place.

4. **Usage:**

- Always operate the machinery at the recommended speed.
- Monitor the operation for any unusual vibrations or noises.
- Stop operation immediately if any issues arise.

5. **PostUse Care:**

- Disconnect the power source after use.
- Clean the adapters and flanges to remove any debris or residues.

Disposal Instructions

- **Disposal of Product:** Dispose of the ARBOR ADAPTERS and SHAFT FLANGES in accordance with local regulations. Do not dispose of in household waste.
- **Recycling:** If applicable, recycle materials according to local recycling programs.

Contact Information for Further Support
