

# RIMFIRE DUMMY ROUNDS - A-ZOOM 17 MACH 2 ACTION PROVING ROUNDS 6/PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

## Inert, Factory Spec Dummies Give Safe Function Testing

Manufactured to exact specifications, including diameter and length dimensions, weight and balance of factory loaded ammo, these DUMMIES have the proper functioning characteristics to reliably check magazine feeding, action timing, extraction and ejection of all guns. The only professionally accepted and safe way to check gun functioning; live ammo should never be used except in actual test-firing on the range - after you have checked the gun with DUMMIES. The very reasonable cost per DUMMY is an added incentive to use them regularly. The blackened case makes them distinct, and instantly recognizable as DUMMIES, which makes them ideal - and safe - to use as a sales aid. Especially useful when demonstrating how a particular gun functions or in gun safety instruction classes. They absolutely eliminate the chance of an accidental discharge. The .17 Mach 2 and .17 HMR dummies are not recommended for tubular magazines.

## Attributes

- Name: [A-ZOOM 17 MACH 2 ACTION PROVING ROUNDS 6/PACK](#)
- Manufacturer: [A-ZOOM](#)
- Product no.: 187000034
- Mfr. No.: 12203

# RIMFIRE DUMMY ROUNDS AZOOM 17 MACH 2 ACTION PROVING ROUNDS 6/PACK Safety Instruction Guide

## Introduction

Thank you for purchasing the RIMFIRE DUMMY ROUNDS AZOOM 17 MACH 2 ACTION PROVING ROUNDS. These dummy rounds are designed to help you safely check the functioning of your firearms without the risks associated with live ammunition. This guide provides essential safety instructions to ensure your safe use of this product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use dummy rounds only in a safe environment, away from live ammunition.
- Ensure that all individuals present are aware that dummy rounds are being used.
- Keep the dummy rounds stored in a secure location, out of reach of children.
- Regularly inspect the dummy rounds for any signs of damage or wear before use.
- Do not use the dummy rounds in tubular magazines.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times when handling dummy rounds.
- Do not attempt to fire dummy rounds from any firearm; they are intended for testing and training purposes only.
- Use dummy rounds only in firearms that are compatible with the .17 Mach 2 cartridge.
- Avoid using the dummy rounds in environments where live ammunition is present.
- Always follow the manufacturer's recommendations for firearm handling and safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the action is open.
- Visually and physically inspect the chamber and magazine to confirm they are free of live ammunition.

### 2. Loading the Dummy Rounds:

- Insert the dummy rounds into the magazine as you would with live ammunition.
- Ensure that the rounds are seated properly and that the magazine is securely closed.

### 3. Function Check:

- Cycle the action of the firearm to check for proper feeding, timing, extraction, and ejection.
- Observe the firearm's operation closely to ensure it functions as intended.

### 4. Post Use:

- After conducting your checks, remove the dummy rounds from the firearm and store them in a safe location.

- Always conduct a final inspection of the firearm to ensure it is clear of any ammunition.

## **Disposal Instructions**

- Dispose of damaged or worn dummy rounds in accordance with local regulations.
- Do not dispose of dummy rounds in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of RIMFIRE DUMMY ROUNDS AZOOM 17 MACH 2 ACTION PROVING ROUNDS, please refer to the manufacturer's contact information provided on the packaging or product insert.

By following these guidelines, you can ensure a safe and effective experience with your RIMFIRE DUMMY ROUNDS. Thank you for prioritizing safety and responsible firearm handling.
