

SIMICHROME POLISH - BROWNEllS 1.76 OZ. SIMICHROME

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

Polishes Brass, Chrome, Gold, Silver, Aluminum, Glass And Plastic

Not only for cleaning up brass but is the most fantastic stuff you have ever seen on chrome, gold, silver, aluminum, glass and plastic. The people who import it from Germany put it this way: "Absolutely guaranteed to be the best polish in the world or your money back"!! One of the big problems in the gun shop is polishing Plexiglas, and other plastic spacers and inserts. Simichrome will do it "Quick as a Wink".

SIMICHROME POLISH BROWNELLS Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for SIMICHROME POLISH BROWNELLS. This product is designed to clean and polish various surfaces, including chrome, gold, silver, aluminum, glass, and plastic. While it is highly effective, it is essential to follow safety guidelines to ensure safe use and to protect yourself and others.

General Safety Guidelines

- Always read the label and safety data sheet before using the product.
- Ensure proper ventilation in the area where the product is used.
- Keep out of reach of children and vulnerable individuals.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other chemicals or cleaning products.
- In case of accidental ingestion, seek medical attention immediately.

Specific Safety Precautions for Use

- Use gloves and safety goggles to protect your skin and eyes while applying the polish.
- Avoid contact with open wounds or broken skin.
- Do not use on surfaces that may be damaged by abrasive materials.
- Test the product on a small, inconspicuous area before full application to ensure compatibility with the surface.
- If irritation occurs, discontinue use and consult a medical professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface to be polished is clean and free from dust or debris.
- Shake the tube or can gently before use.

2. Application:

- Apply a small amount of SIMICHROME POLISH to a soft cloth or applicator pad.
- Rub the polish onto the surface in a circular motion, applying light pressure.
- For tough stains or tarnish, allow the polish to sit for a few moments before buffing.

3. Buffing:

- Use a clean, dry cloth to buff the surface to a shine.
- Ensure all residue is removed to avoid any slippery surfaces.

4. Cleanup:

- Dispose of any used cloths or applicators in accordance with local waste disposal regulations.
- Wash hands thoroughly after use.

Disposal Instructions

- Dispose of any leftover product according to local regulations for hazardous waste.

- Do not pour the product down the drain or into water systems.
- Ensure the container is completely empty before recycling or disposing of it.

Contact Information for Further Support

For questions or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging or visit their official website for more information.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with SIMICHROME POLISH BROWNELLS. Always prioritize safety and consult professionals if you have any doubts or concerns regarding the product's use. Thank you for choosing SIMICHROME POLISH BROWNELLS for your polishing needs.
