Polishes Brass, Chrome, Gold, Silver, Aluminum, Glass And Plastic

Not only for cleaning up brass but is the most fantastic stuff you have ever seen on chrome, gold, silver, aluminum, glass and plastic. The people who import it from Germany put it this way: "Absolutely guaranteed to be the best polish in the world or your money back"!! One of the big problems in the gun shop is polishing Plexiglas, and other plastic spacers and inserts. Simichrome will do it "Quick as a Wink".

SIMICHROME POLISH BROWNELLS 8.82 OZ. Safety Instruction Guide

Introduction

Thank you for choosing SIMICHROME POLISH BROWNELLS. This product is designed for cleaning and polishing a variety of surfaces, including chrome, gold, silver, aluminum, glass, and plastic. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety while using SIMICHROME POLISH, please adhere to the following guidelines:

- Always read the label and product instructions before use.
- Keep the product out of reach of children and pets.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Use in a wellventilated area to prevent inhalation of fumes.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight.
- Dispose of any unused product according to local regulations.

Specific Safety Precautions for Use

When using SIMICHROME POLISH, please follow these specific precautions:

- Wear protective gloves to avoid skin irritation.
- Use safety goggles if there is a risk of splashing.
- Test on a small, inconspicuous area before applying to larger surfaces.
- Do not use on surfaces that are hot or exposed to flames.
- Avoid mixing with other cleaning agents or chemicals.
- Ensure the surface is free of dust and debris before application.

Instructions for Installation and Usage

To properly use SIMICHROME POLISH, follow these steps:

1. Preparation:

- Ensure the area is wellventilated.
- Gather necessary materials: SIMICHROME POLISH, a clean, soft cloth, and protective gloves.

2. Application:

- Shake the can well before use.
- Apply a small amount of SIMICHROME POLISH to the cloth.
- Rub the cloth gently onto the surface in a circular motion.
- For best results, allow the polish to dry for a few moments.

3. Buffing:

- Use a clean section of the cloth to buff the surface until a shine is achieved.
- For heavily tarnished areas, repeat the application as necessary.

4. Clean Up:

- Dispose of used cloths and any excess polish according to local waste regulations.
- Wash hands thoroughly after use.

Disposal Instructions

Please follow these disposal instructions to ensure safe and environmentally friendly disposal of SIMICHROME POLISH:

- Do not pour unused polish down the drain.
- Dispose of the product and its container in accordance with local regulations for hazardous waste.
- Check local guidelines for specific disposal instructions for cleaning products.

Contact Information for Further Support

For any questions or concerns regarding the use of SIMICHROME POLISH, please refer to the product label for the manufacturer's contact details. It is important to reach out for assistance if you experience any adverse reactions or have safety inquiries.

By following these guidelines, you can ensure a safe and effective experience with SIMICHROME POLISH BROWNELLS. Thank you for your attention to these important safety instructions.
