

# HALF-ROUND FILES - APEX TOOL GROUP HALF-ROUND FILE, BASTARD CUT, 8" (20.3 CM) STEEL

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Files](#)

## Excellent For Finish Work

**BROWNELLS HALF-ROUND FILES** The Brownells Half-Round Files are versatile tools designed for gunsmiths and metalworkers requiring precision in both concave and flat surface work. These files are ideal for tasks such as shaping and smoothing curved metal surfaces, fitting custom parts, and general material removal, ensuring high-quality craftsmanship in firearm customization and repair. **Description and Features:** Crafted from high-quality steel, these half-round files feature a dual-surface design: a flat side for straight edges and a rounded side for curved surfaces. This combination allows for efficient material removal and fine finishing in various applications. The files taper slightly in both width and thickness, providing enhanced control and precision in detailed work. Available in bastard cut, they are suitable for both wood and metalworking tasks. **Specifications:** Length: 8 inches (20.3 cm) Cut Type: Bastard, Second, Half-Round Material: High-quality steel Design: Tapered in width and thickness **Customer Insights:** Customers of the Brownells Half-Round Files appreciate their versatility and precision. The dual-surface design allows for efficient shaping and smoothing of both flat and curved surfaces, making them indispensable for various gunsmithing tasks. Customers also value the durable construction, noting that the files maintain their sharpness and effectiveness over extended use. Incorporating the Brownells Half-Round Files into your toolkit ensures you have the appropriate tools for detailed material shaping and finishing, enhancing the quality and precision of your gunsmithing and metalworking projects.

## Attributes

- Name: [APEX TOOL GROUP HALF-ROUND FILE, BASTARD CUT, 8" \(20.3 CM\) STEEL](#)
- Manufacturer: [APEX TOOL GROUP](#)
- Product no.: 191048960
- Mfr. No.: 04896N
- Colour: Steel
- Length: 8
- Material: Steel
- Model Number: Bastard Cut
- Style: Round Files
- Delivery weight: 0.091kg
- Shipping height: 3mm
- Shipping width: 30mm
- Shipping length: 246mm
- UPC: 050806029835

# Safety Instruction Guide for HALFROUND FILES APEX TOOL GROUP BASTARD CUT, 8" (20.3 CM)

## Introduction

Thank you for choosing the HALFROUND FILES APEX TOOL GROUP BASTARD CUT, 8" (20.3 CM). This guide provides essential safety instructions and usage information to ensure your safety and the effective use of this product. Please read this guide carefully before using the file.

## General Safety Guidelines

- Always keep the file out of reach of children and vulnerable individuals.
- Inspect the file for any damage or defects before use. Do not use if damaged.
- Use the file only for its intended purpose, which is to shape and smooth wood and metal surfaces.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against debris and sharp edges.
- Ensure that your workspace is clean and free of obstructions to prevent accidents.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Sharp edges can cause cuts or injuries.
  - Improper use can lead to accidents or damage to the material being worked on.
- **Avoiding Hazards:**
  - Always handle the file by its handle to avoid contact with the cutting edges.
  - Do not apply excessive force; let the file do the work.
  - Use a stable surface to support the workpiece while filing.
  - Keep hands and body clear of the filing area to prevent injury.

## Instructions for Installation and Usage

- **Installation:**
  - No installation is required for the HALFROUND FILE. It is ready to use upon purchase.
- **Usage Instructions:**
  - Hold the file with a firm grip on the handle.
  - Position the file at an angle to the surface you are working on.
  - Apply light to moderate pressure when filing. Use long, smooth strokes for best results.
  - Alternate between the flat and curved sides of the file as needed for different surfaces.
  - Clean the file regularly to remove debris buildup, which can affect performance.
  - Store the file in a dry place, away from moisture and direct sunlight, to prevent rust and deterioration.

## Disposal Instructions

- Dispose of the file responsibly when it is no longer usable.
- Check local regulations for the proper disposal of metal tools.

- Do not throw the file in regular household waste if it is sharp or hazardous; instead, follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's official website.

Thank you for your attention to these safety guidelines. Your safety is important, and following these instructions will help ensure a safe and effective experience with your HALFROUND FILES APEX TOOL GROUP BASTARD CUT, 8" (20.3 CM).
