

# HALF-ROUND FILES - APEX TOOL GROUP HALF-ROUND FILE, SMOOTH CUT, 8" (20.3 CM) STEEL

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Files](#)

## Excellent For Finish Work

**BROWNELLS HALF-ROUND FILES** The Brownells Half-Round Files are versatile tools designed for gunsmiths and metalworkers requiring precision in both concave and flat surface work. These files are ideal for tasks such as shaping and smoothing curved metal surfaces, fitting custom parts, and general material removal, ensuring high-quality craftsmanship in firearm customization and repair. **Description and Features:** Crafted from high-quality steel, these half-round files feature a dual-surface design: a flat side for straight edges and a rounded side for curved surfaces. This combination allows for efficient material removal and fine finishing in various applications. The files taper slightly in both width and thickness, providing enhanced control and precision in detailed work. Available in bastard cut, they are suitable for both wood and metalworking tasks. **Specifications:** Length: 8 inches (20.3 cm) Cut Type: Bastard, Second, Half-Round Material: High-quality steel Design: Tapered in width and thickness Customer Insights: Customers of the Brownells Half-Round Files appreciate their versatility and precision. The dual-surface design allows for efficient shaping and smoothing of both flat and curved surfaces, making them indispensable for various gunsmithing tasks. Customers also value the durable construction, noting that the files maintain their sharpness and effectiveness over extended use. Incorporating the Brownells Half-Round Files into your toolkit ensures you have the appropriate tools for detailed material shaping and finishing, enhancing the quality and precision of your gunsmithing and metalworking projects.

## Attributes

- Name: [APEX TOOL GROUP HALF-ROUND FILE, SMOOTH CUT, 8" \(20.3 CM\) STEEL](#)
- Manufacturer: [APEX TOOL GROUP](#)
- Product no.: 191049600
- Mfr. No.:
- Colour: Steel
- Length: 8
- Material: Steel
- Model Number: Smooth Cut
- Style: Round Files
- Delivery weight: 0.113kg
- Shipping height: 5mm
- Shipping width: 53mm
- Shipping length: 262mm
- UPC: 050806029859

# **Safety Instruction Guide for HALFRound FILES APEX TOOL GROUP HALFRound FILE, SMOOTH CUT, 8" (20.3 CM) STEEL**

## **Introduction**

Thank you for choosing the HALFRound FILE from APEX TOOL GROUP. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the file.

## **General Safety Guidelines**

- Always use the file according to the manufacturer's instructions.
- Keep the file out of reach of children and vulnerable individuals.
- Inspect the file for any damage before each use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against sharp edges and debris.
- Store the file in a safe, dry place when not in use to prevent damage and ensure safety.

## **Specific Safety Precautions for Use**

### **• Potential Hazards:**

- Sharp edges may cause cuts or injuries.
- Improper use may result in accidents or damage to materials.

### **• Avoiding Hazards:**

- Always handle the file by the handle, avoiding contact with the cutting surfaces.
- Do not apply excessive force while using the file; let the tool do the work.
- Ensure your workpiece is secure to prevent movement during filing.
- Avoid using the file on materials for which it is not designed.

### **• Age Specific Warnings:**

- This product is not intended for use by children. Adult supervision is required if used near minors.

## **Instructions for Installation and Usage**

### **• Installation:**

- No special installation is required for the HALFRound FILE. Ensure the workpiece is securely clamped or held in place before use.

### **• Usage:**

- Hold the file firmly by its handle.
- Position the file against the material to be worked on.
- Use smooth, controlled strokes, applying light pressure.
- For best results, file in a forward motion, lifting the file off the material on the return stroke.
- Regularly check the progress and adjust your technique as necessary.

## Disposal Instructions

- Dispose of the file responsibly. If the file is damaged or no longer usable, follow local regulations for disposal of metal tools.
- Do not discard in regular household waste. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the HALFROUND FILE, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

## Conclusion

Following these safety instructions will help ensure a safe and effective experience with your HALFROUND FILE. Always prioritize safety and proper usage techniques to maximize the tool's effectiveness. Thank you for your attention to these important guidelines.
