# Safety Instruction Guide for AMERICAN PATTERN HAND FILES

## Introduction

Thank you for choosing the AMERICAN PATTERN HAND FILES from APEX TOOL GROUP. This guide provides essential safety information to ensure the safe use of this product. Please read and follow these instructions carefully to avoid any accidents or injuries.

## General Safety Guidelines

- Always use the hand file in accordance with the manufacturer's instructions.
- Keep the file away from children and unauthorized users.
- Inspect the file for any visible damage before use. Do not use if damaged.
- Store the file in a safe and dry place when not in use.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the file.
- Be aware of your surroundings and ensure that the area is free from hazards.

## Specific Safety Precautions for Use

- Ensure proper grip on the file to maintain control during use.
- Use the file only for its intended purpose: dressing, striking off, shaping, and metal removal.
- Avoid applying excessive force; let the file do the work.
- Do not use the file on materials that are too hard or unsuitable for its design.
- Always file away from your body to prevent injury.
- Be cautious of sharp edges and points; handle with care.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a welllit area.
- Gather all necessary tools and materials you will be working with.

### 2. Using the Hand File:

- Hold the file firmly by the handle.
- Position the workpiece securely on a stable surface.
- Begin filing by applying light pressure and moving the file back and forth.
- Use the doublecut sides for aggressive material removal and the singlecut side for finer finishing.
- Regularly check your progress to avoid overfiling.

### 3. After Use:

- Clean the file to remove any debris.
- Store the file in its protective case or a designated storage area.
- Ensure the file is out of reach of children.

## Disposal Instructions

- Dispose of the hand file responsibly and in accordance with local regulations.
- Do not throw the file in regular household waste if it is damaged or unusable.

- Check with local waste management for specific disposal guidelines for metal tools.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the packaging or visit the manufacturer's website.

## **Conclusion**
